## ASSHOLE OF THE MONTH

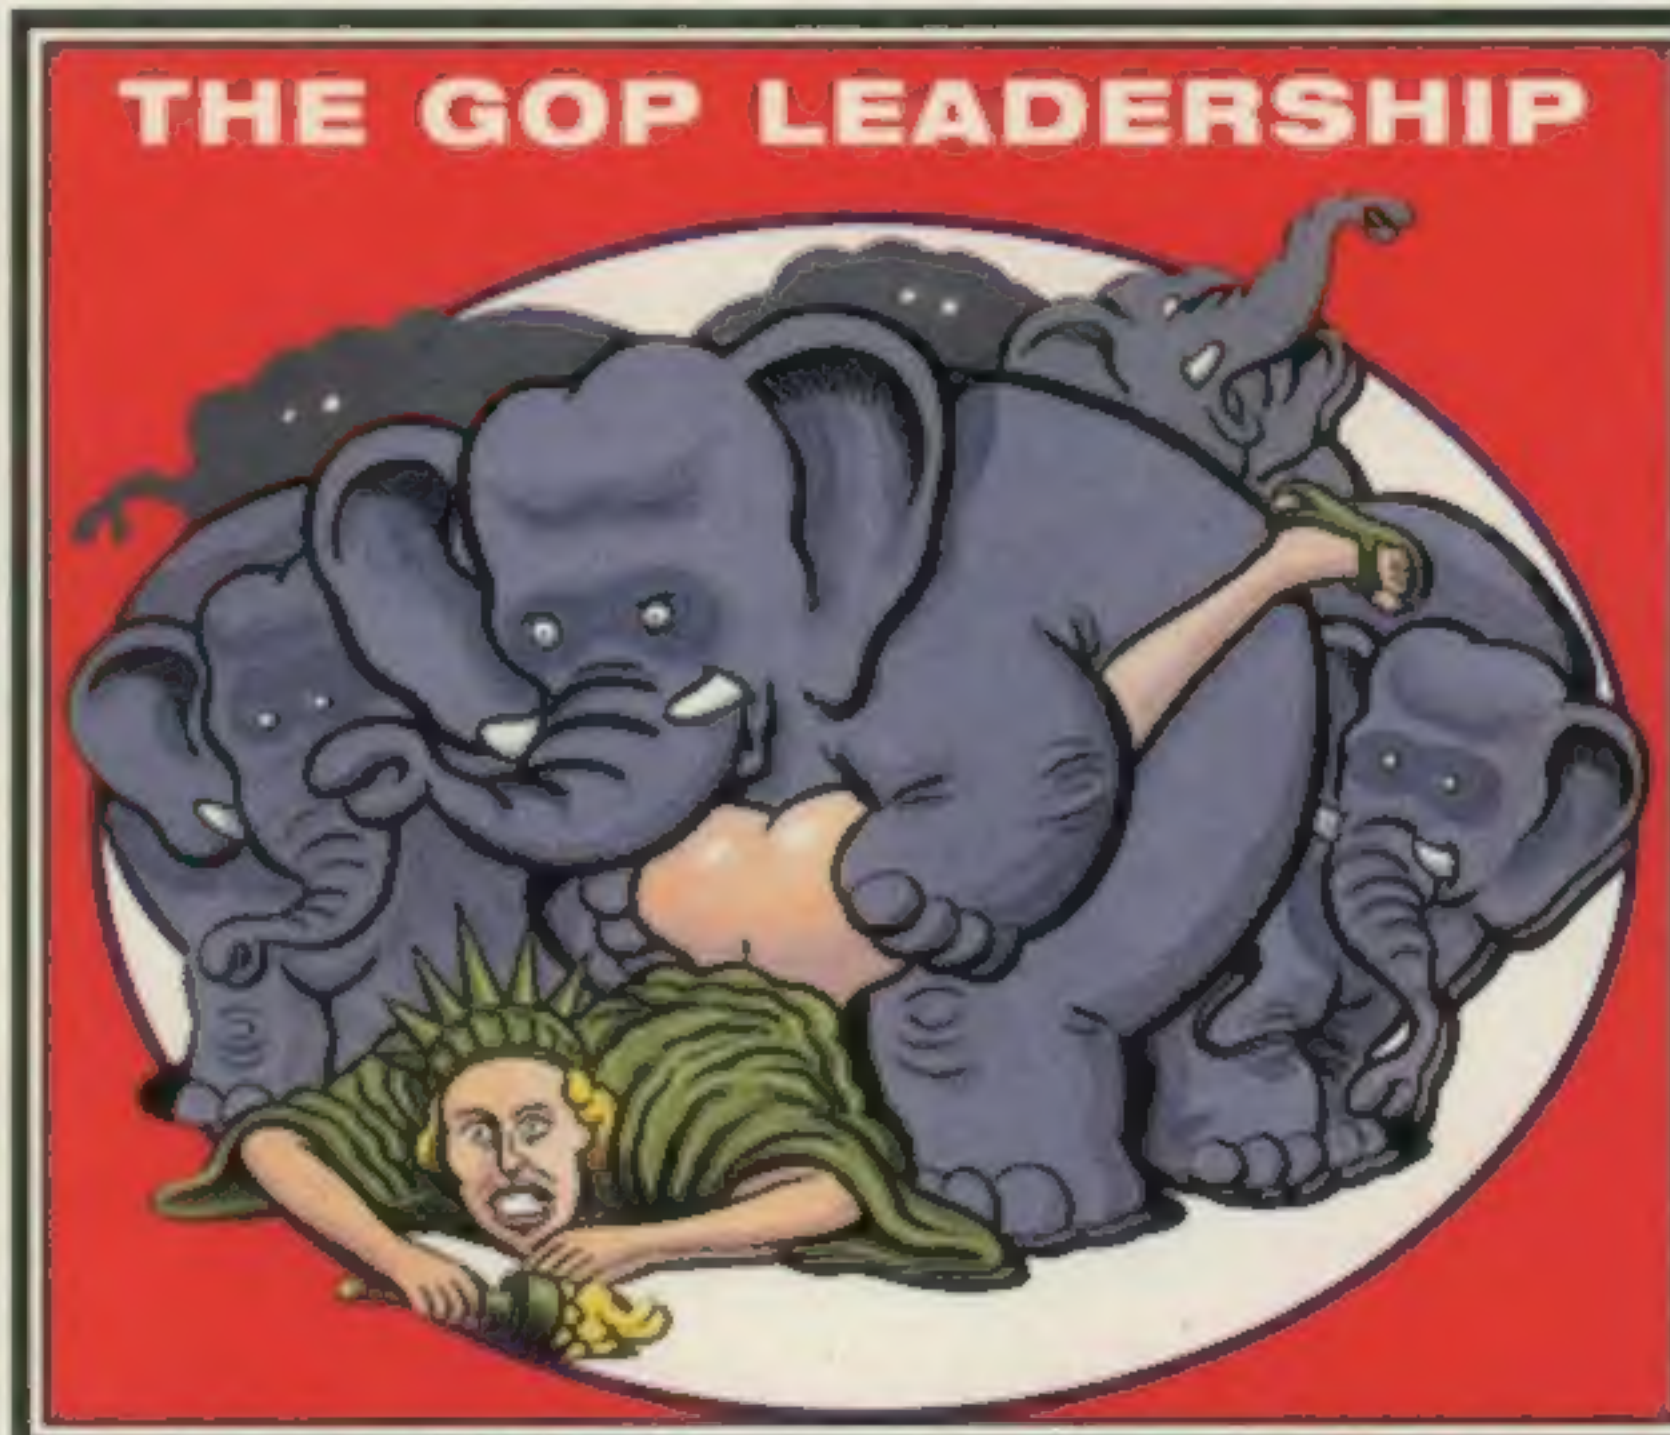

Because we the people of the United States of America will never see the wilding Republicans of Congress hanged, Newt Gingrich, Dick Arme, Tom DeLay, Trent Lott and Henry Hyde are collectively condemned as HUSTLER's Asshole of the Month for January 1999.

Every citizen who has been taxed and ass-fucked knows that Washington politics is a business of liars and thieves masquerading as public servants. Greed and disregard from our representatives no longer shock us. But the Republican Party's use of Bill Clinton's cum stain to rape democracy poisons the nation.

The GOP's attempt to remove a freely elected leader could not be more despicable if the dirty work were done by a lone gunman. None of President Clinton's infractions have been against the political process or the Constitution. The Congressional Republican leadership is trying to steal the government while shilling a false front of Constitutional responsibility. Their slow-acting coup d'état is waged in the name of decency and morality.

Senate Majority Leader Trent Lott of Mississippi is the most sanctimonious of assassins. "I am offended by the President's behavior," says Trent. "There is a moral dimension to the American Presidency that has been lost."

Lott fiercely defended disgraced President Richard Nixon in 1974. Lott was one of few Congressmen to vote against all five articles of impeachment against Nixon, a dirty-trick politician who resigned rather than be convicted of crimes against the

electoral process.

Adulterer Henry Hyde is the fat pet rat chairing the committee in judgment of Bill Clinton's adultery. Hyde dismisses his own five-year affair with a married woman, commenced at age 41, as "youthful indiscretion." His adultery went on longer than Bill Clinton's dalliance with Lewinsky and harmed more spouses and children. Hyde admits no wrongdoing. "The only purpose for this being dredged up is an obvious attempt to intimidate me," said Hyde. Hyde's insight reveals "the only purpose for" Kenneth Starr dredging up Clinton's Lewinsky dirt.

Though reluctant to go down in history as "the Larry Flynt of the House," Hyde published the Starr

Report's smut, probably after a tug on his chain by Newt Gingrich.

In public, Newt cautioned his Republicans to avoid personal attacks. In private, Newt branded Bill Clinton a "misogynist." Gingrich is familiar with the word *misogynist* because he dumped his first wife while she was in a hospital bed, and has never fully dispelled reports of receiving extramarital blowjobs.

Gingrich has also admitted to misleading the House Ethics Committee, a form of lying, about his subversion of Congressional regulations. Newt's offense is more damaging to a government by and for the people than is Clinton's denial of sex.

Texan Dick Arme is the Republicans' majority leader in the House.

Dick is best known for calling a fellow congressman, Barney Frank, Barney Fag and then excoriating the media for running tape of the smear. Arme topped the fag baiting by telling an assembly of high school students that, "If it were me that had documented personal conduct along the lines of the President's, I would resign." Dick Arme has not called upon the three confirmed Republican adulterers listed on this page to resign.

Perhaps Arme's moral outrage is tempered by his fear of House Majority Whip Tom DeLay, also from Texas. DeLay is unable to tolerate impropriety in a public official, but he has no trouble pushing legislation that is profitable to his brother Randy, a Texas lobbyist. Randy isn't treated "any differently" from other lobbyists, says DeLay.

DeLay supports Kenneth Starr's probing into Bill Clinton's sex life, but his eagerness for sleaze stops at documentation of Henry Hyde's slime. "This is the most despicable, most disgraceful, most disgusting piece of rumormongering that I have ever seen." The Hyde "rumor" is as true as any dirt in Starr's Report.

DeLay petitioned the FBI to investigate the Hyde story's origin, which, in effect, brings in the FBI to investigate an independent news source. Will martial law be next in DeLay's obvious attempt to intimidate America's free press?

The Republican furor is not about sex, lying, perjury or obstruction of justice. The frenzy is about ripping the American government from the American people and into the claws of a shitty few Assholes.

### **Congressman Dan Burton:**

A congressman from Indiana, Dan Burton likes to raise his profile. He gained national recognition by referring to the United States President as a "scumbag." Burton attracted still more attention when he was forced to confess to a long-term adulterous affair during which he fathered a

### **FARTS IN THE WIND**

bastard. A bastard himself, Burton hid behind a shield of false righteousness until confronted by reporters who showed the world that this Asshole has two faces.

**Congresswoman Helen Chenoweth:** Chenoweth is an Idaho moral-issues Republican who ran campaign ads lambasting President

Clinton's character. Her own moral authority came into question when reporters forced her to admit a long-term adulterous affair. "I've asked for God's forgiveness, and I've received it," babbles Helen. If the Almighty has pardoned Chenoweth, why does He still make her look like an Asshole?

# NICOSPERM

## Fuck the Snatch. Get the Patch.

Pussywhipped? Does that insufferable bitch have you drinking wine, eating pussy and calling her things like "pudding face" as you massage her rancid feet? Snatch dependence is not your fault; it's a disease. Luckily, NicoSperm's semen-extracting powers relieve your body of backed-up sperm that's aching for release. Here's how the patch works:

Low-dosage beads satisfy your craving for mild sexual advances and masturbation in the workplace, but NicoSperm doesn't stop there!

Heavier loads prevent needless trips to the florist and can turn anniversaries and Valentine's Day into precious afternoons of automotive discovery and rewarding evenings of sports betting.

And for the uncontrollable sex fiend, NicoSperm's full load makes refusing gratuitous anal sex as easy as declining tickets to Rent.

# There Ain't Enough Airwaves....

This September, serial single mom and suspected dyke Rosie O'Donnell went belly-to-belly with prime-time Empress Roseanne in a ratings match to determine which voluptuous juggernaut holds the title, America's Daytime Talk-Show Champ (White). Roseanne is trying to shove Rosie aside from the daytime trough; the all-time World Champion Talk-Show Hag, Oprah, remains just too big to budge.

While these two yak-mistresses rumble, whiny, aspiring Negress Ricki Lake could sneak a Fattest Hag win, overpowering both competitors.

It's a good thing that these ratings monsters are gunning for one another. If the stampeding daytime-talk mass ever teamed up to assault the real world, civilization as we know it would end.

# Whatchoo in for, Willis?

Former has-been Gary Coleman pleaded not guilty to charges of assaulting proud black woman Tracy Fields, an L.A. bus driver. The altercation ensued when the pint-size security guard balked at "personalizing" his autograph for Fields's son. Instead, tiny terror Gary allegedly "made a racial slur" and used diff'rent strokes to beat up the lady.

No media outlet has reported exactly which racial epithet fell from crotch-high Coleman's tongue. HUSTLER spent what felt like several hours of research imagining what little Gary might have scrawled for Tracy Fields's kid:

## Bye-bye Bunny

I bought a copy of the November 1998 HUSTLER and, boy, I'm glad that I did! After seeing the pictorials *Heidi: Go Climb a Cock* and the truly amazing *Kat: Sermon on the Mound*, my mouth dropped open! I couldn't believe my eyes when I saw where Kat had that wine bottle! Please keep up the excellent work. After I finish writing this letter, I intend to cancel my subscription to that other magazine with the bunny rabbits and immediately subscribe to your most excellent publication. I can barely wait to see what you do next month.

—R. W.  
Raleigh, North Carolina

*We're always happy to win converts to our crusade. R. W. Welcome to the HUSTLER army, and congratulations on coming to your senses. Better late than never*

## The South Rises Again

I'm a GI stationed in Korea right now. Just to let y'all know, America's Magazine ain't off the shelves just yet. In fact, I just bought the latest issue, and I have to say, *Sadie: Auto Erotica* (December 1998) is tucking hot! I have one complaint: Tell that redneck chicken fucker ("Redneck Rebuttal," *Feedback*, December 1998) to shut the hell up! I myself am a redneck country boy from Virginia, but I ain't a racist fuckin' bigot. N. H., if you don't like it, don't buy it. You're givin' us country boys a bad name, you son of a bitch!

—C. B.  
Camp Casey, Korea

*Glad you enjoyed Sadie's carnal car capers, C. B., and your defense of your redneck heritage is both poignant and eloquent. What do you have against chicken fuckers, though? If it weren't for chicken fuckers, you wouldn't be reading this fine publication today*

## Snowe Job

I loved what Mr. Flynt did with his gift subscriptions of HUSTLER to the members of Congress (*HUSTLER's Congressional*

*Majority*, November 1998). I myself took full advantage of this opportunity to adopt an orphaned subscription. I made it very clear in my letter to my state representative, Senator Olympia J. Snowe of Maine, that it would be a damn shame to

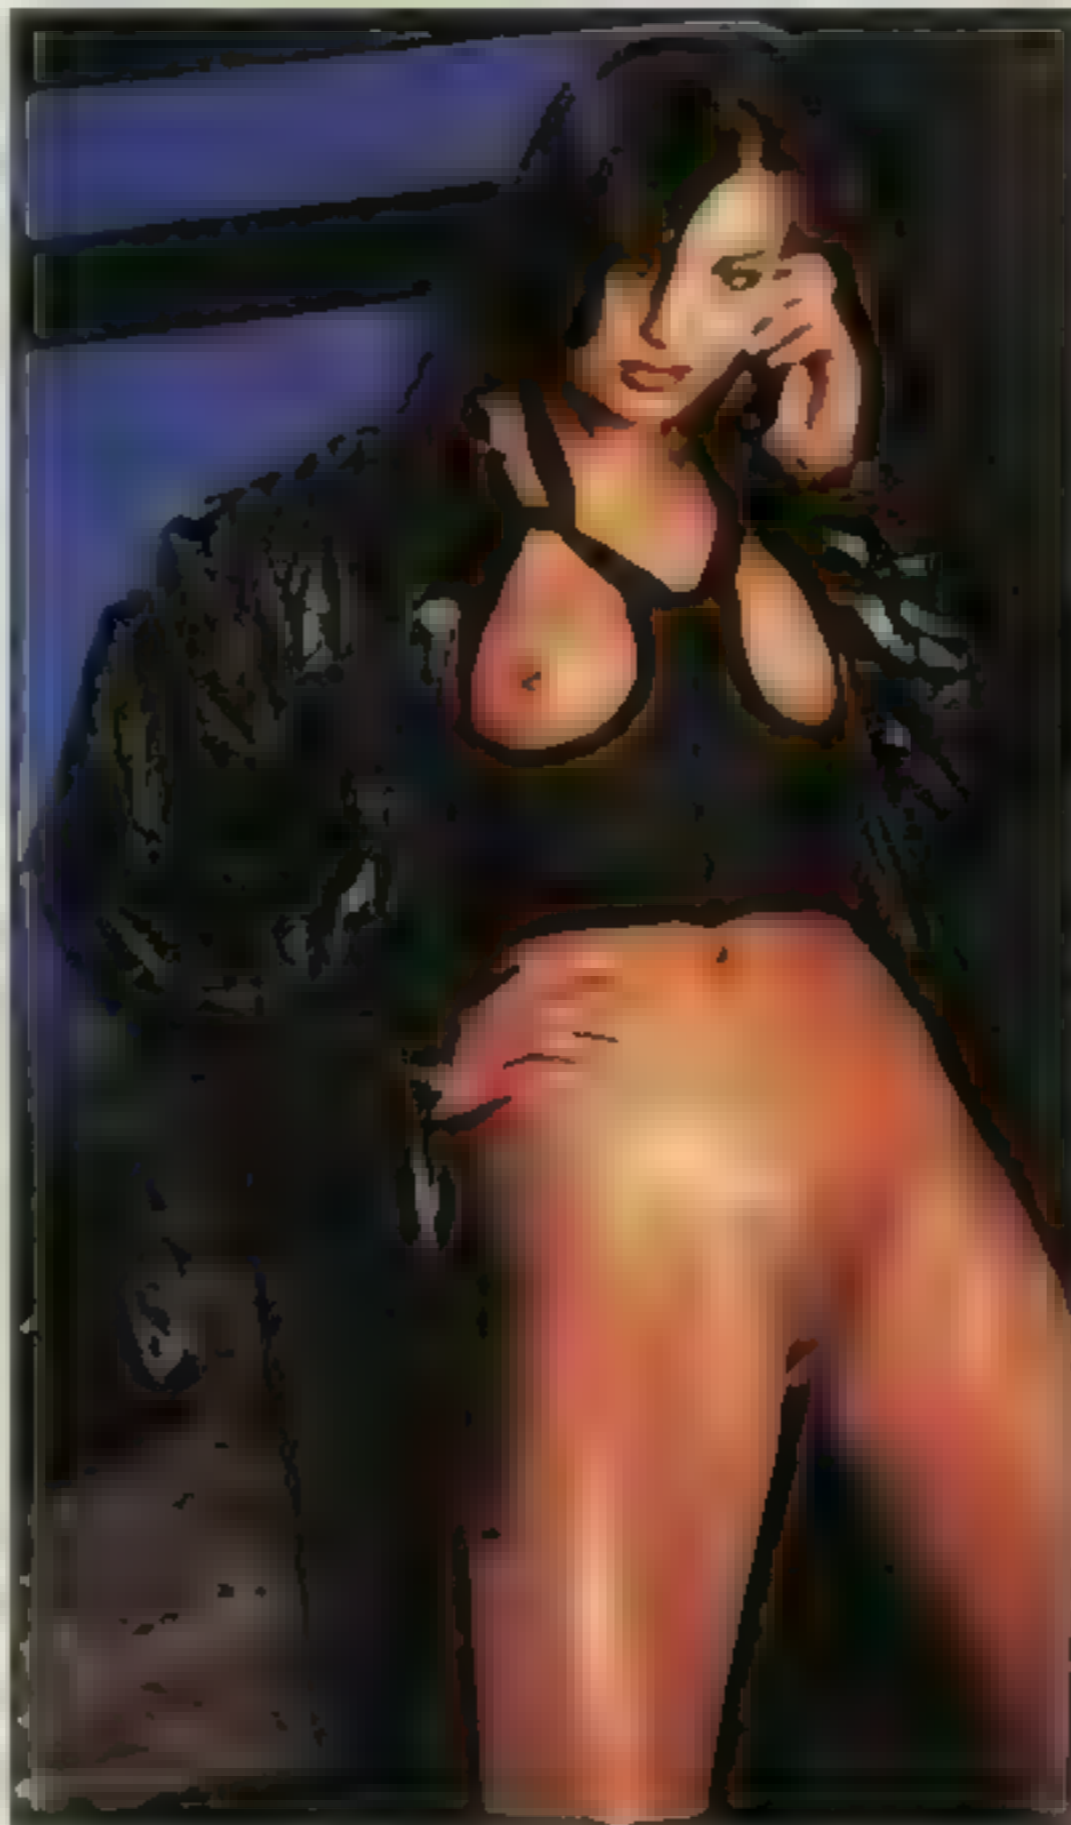

waste a whole year of HUSTLER. I am a dedicated yearly subscriber, and I lose sleep over the thought of some "pink-phobic bureaucrat" throwing away a year rather than turning it over to a muff-loving liberal like myself. I'll be sure to let you know if I ever get that bonus year.

—S. F.  
Machias Port, Maine

*You are democracy in action, S. F., and your efforts to adopt an abandoned subscription to America's Magazine are inspired and an inspiration. Keep us informed on Senator Snowe's decision. Hoarding a surplus of pink from her constituents would amount to an impeachable offense on Snowe's part.*

## Family Values

As a family, we would like to thank you for the many wonderful articles that appear in your super magazine. The article in the May issue about the Edgewater Hotel (*A Family's Affairs*, May 1998) really did it for us. My wife and I and our two children, aged 20 and 21, have been swingers for a few years. Three weeks ago, coming home from a trip to a family reunion, our daughter suggested we visit the Edgewater. The hotel was just as your article had described it. We all joined in for a wonderful time with ourselves and others. It was an experience we will never forget,

## Memorial Love Doll

**You don't need a father who has \$10 billion and owns Harrod's just so you can fuck a shopaholic princess.**

All of her feminine qualities have been lovingly reproduced in lustrous, washable vinyl.

Heirloom-quality deep-throat action

Every orifice built-in for regal reaming

Fully poseable

Completely accessorized with shoes, purse, split-crotch panties and tiara

Custom-made cup holder transforms royalty into a useful object

She was a role model of enduring style, charm and compassion, not to mention the only remotely fuckable British royal in the past 500 years.

Now, more than a year after she left us, Inflat-o Heritage Collectibles creates the Diana Memorial Love Doll. Crafted in lifelike vinyl. Dressed in the stylish lingerie she wore for her last date with Dodi. Mortally wounded from head to toe.

She's the only princess in the world who will do anything you want her to do. You be the boss! Dress her up in the casual ensemble she wore on her historic peace-keeping mission to Angola. Probe her with the custom-made replica of her late boyfriend's manhood, the "Dodi dildo." Put a paper bag over her head, and pretend you're the Prince of Wales.

This limited-edition collector's love doll can be yours for only \$90 a month for eight months. Not one penny goes to that drunken bastard Charles Spencer, who couldn't have done more to sully the memory of Diana had he been a paparazzo with a machine gun.

—B. O.

*Happy to help you pull those family ties a little tighter, B. O. As the old adage says, the family that lays together stays sick.*

## Beater Beware

I think HUSTLER is the best, but I have a problem with one of your advertisers. In their advertisement, they say that each movie is four hours long. I ordered seven movies and received a three-hour, 40-minute tape with lines and fuzz all over the picture. Along with the tape is a note saying that they're happy to replace defective tapes, but there's no mention of an address to send them to. Maybe you should warn your readers about these ripoff artists.  
—R. K.  
Wellington, Missouri

*Sorry to hear of your unsatisfactory mail-order experience, R. K. As the Consumer Alert at the top of each Feedback notes, the best safeguard against merchandise ripoffs is ordering only from companies that accept credit-card payment and include a working phone number in their ads. Try contacting the company at the address you originally ordered the tapes from; if that fails, try booking yourself some time with Judge Judy.*

## Tracking Down Trannies

HUSTLER and other mags have shown us many preop transsexuals, but I have yet to see any post-op transsexuals. What does a store-bought pussy look like? How about a store-bought dick? Do you have any post-op transsexuals worth showing to satisfy my curiosity?  
—L. E.  
via Internet

*April: Fool Bloom, from the April 1994 HUSTLER, should provide all the satisfaction your curiosity needs and then some, L. E. If that issue is missing from your collection, call 1-815-734-1142 to order a copy so you can feast your eyes on April's surgically constructed snatch.*

## Slamming Miss Chelsea

I would like to comment on your recent pictured item, the peep at Chelsea Clinton ("Teen Peephole," HUSTLER Ad Parody, November 1998). Who wants to take a peep at her? Not I! I think ol' Chelsea should continue to wear her chastity belt. I'd rather mow the lawn than see her

naked, even with her braces off. —D. B.  
Saint Paul, Minnesota

*You did notice the parody disclaimer on the bottom of the ad, didn't you, D. B.? Don't worry, those weren't Chelsea's milk bags and flue that assaulted your eyeballs. Come on, though—you'd rather mow your lawn than plow the First Teen's bush? Sure, she may be a dead ringer for Alfred E. Neuman, but we at HUSTLER pray nightly for the day that Chelsea's All-Anal Gang-Bang hits the shelves, just on general principles.*

## Honey, Don't

I wish to apply to be a member of a HUSTLER Honey pictorial. I am a man of 35 years old, from Africa-Nigeria. My height is 5-9 1/4. I have a keen interest in the business. I also attached a passport of myself. I would be so much grateful if this my application is consider. Please send details of your brochure.  
—G. L.  
Brooklyn, New York

*Sorry, G. L., but despite your excellent language skills, you lack a necessary qualification to become a HUSTLER Honey—namely, a vagina. If your interest is as keen as you say it is, you could follow April's lead, but your enclosed pass-*

*port photo suggests that you would make an exceedingly homely transsexual.*

## How Low Can You Go?

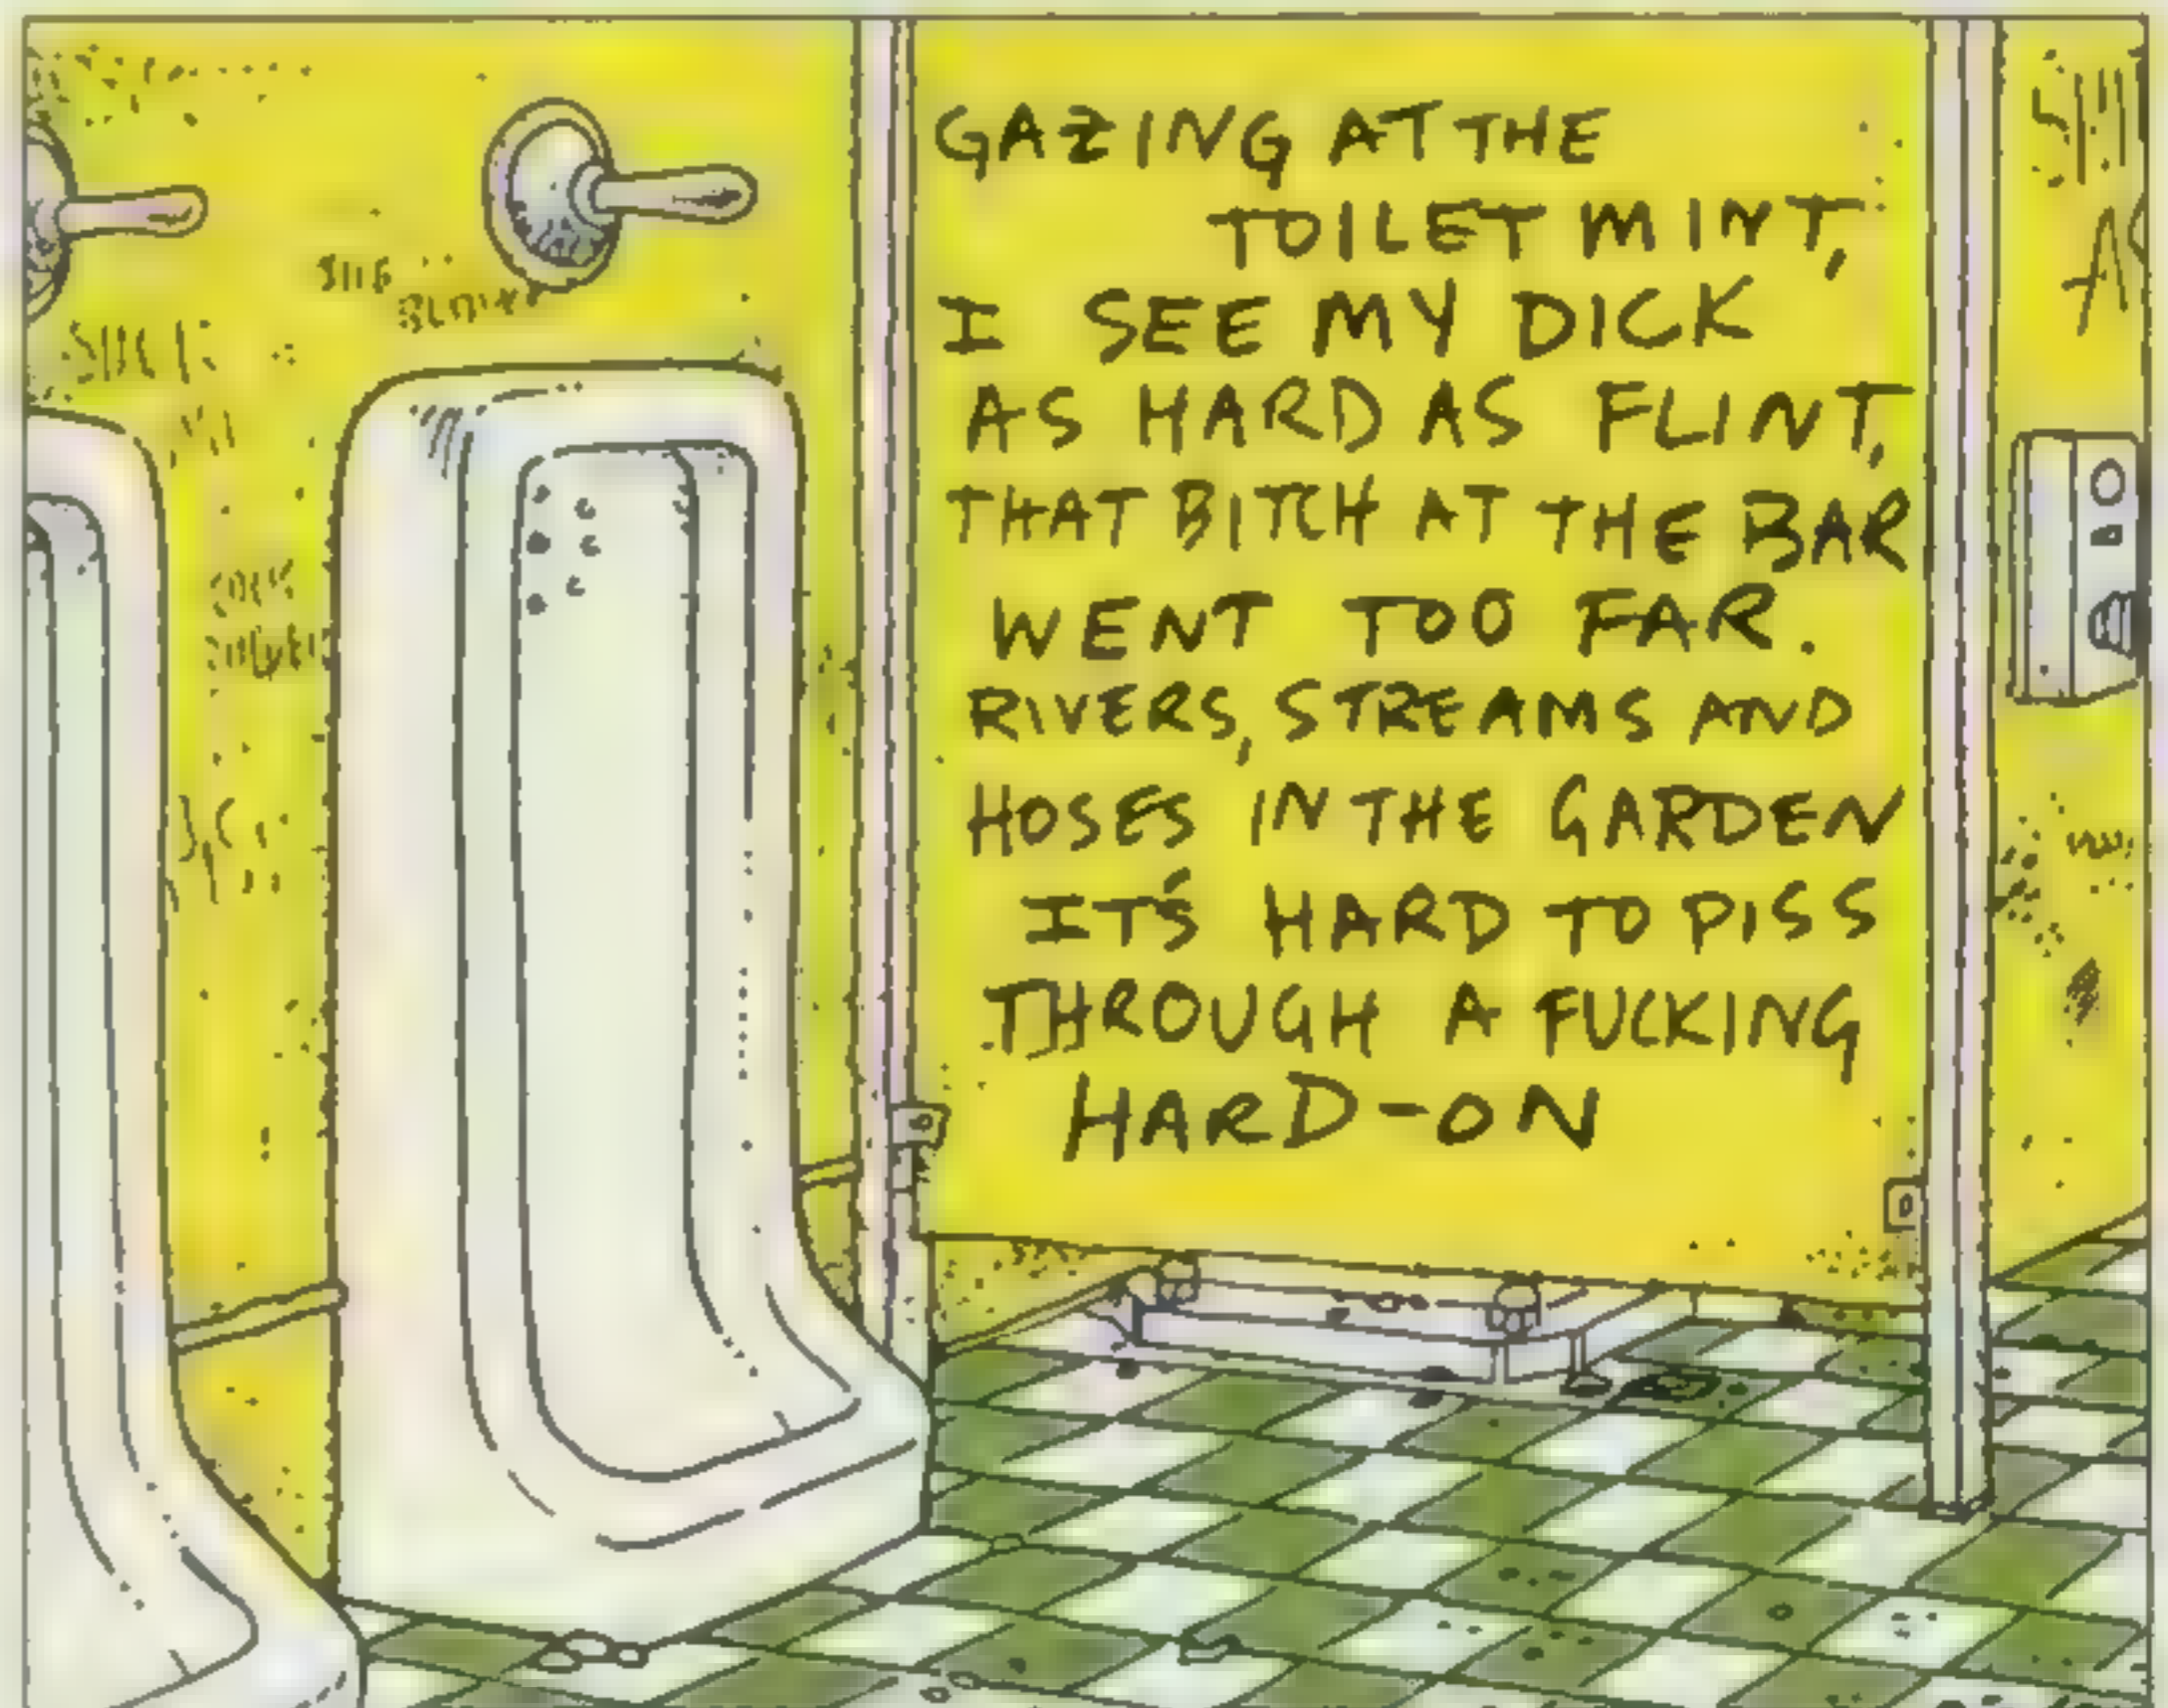

I appreciate the fact that HUSTLER has spiced up its pages lately with the forbidden, i.e., peeing and penetration. My question is, how far can a person go? There are videos advertised (even in HUSTLER) with peeing, fisting and even animals. Is all of this legal now? What is the limit, if any? Please let us know, before Big Brother comes with the paddle.  
—R. V.  
Chicago, Illinois

*Pertinent questions, R. V., and HUSTLER intends to answer them in upcoming issues. Check out next month's installment of America's Magazine for a report on the brave new frontiers being explored by the more daring segments of the porn industry and the legal issues that surround them. We'll also be examining the bestiality and so-called snuff films being churned out by the underground porn scene in an upcoming issue; so keep your eyes peeled.*

JEANNA FINE TELLS THE  
FUCKING TRUTH

*This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.*

## LIP SERVICE

My friend and I would like to know what kind of dick-sucking-resistant, pussy-eating-proof, cum-shot-enduring lipstick porn stars wear. It never seems to smear! Please help this pair of pornstar wanna-bes.  
—P. W.  
Sacramento, California

*Sadly, there is no such thing as a magical porn lipstick that keeps screen sluts from looking like Bozo when they're smoking bone and munching rug. The secret is constant vigilance. I often keep a compact, lipstick and lip liner under a pillow during a scene. When the camera cuts or focuses on action below the waist, I quickly reapply my makeup. When the camera cuts back to my face, I have fresh lips. Such is the price of porn stardom.*

## TIGHT SQUEEZE

My girlfriend's pussy is so tight, I feel like I need a shoehorn to wedge my dick into her. Are there any exercises that can loosen a woman's vagina, or is this a doomed relationship?  
—S. H.  
York, Pennsylvania

*There's an excellent exercise that will open up your girlfriend's pussy, S. H.—it's called foreplay. Arousal makes twats much more accommodating. I suggest lots of head—for her—instead of trying to cram your dick into an unready pussy. A healthy dose of lube would help too. If you precede penetration with a good 20 minutes of foreplay and apply the K-Y liberally, you should be able to part your girlfriend's pink with ease.*

## HELMET IN THE BUSH

I have hair that grows all the way up my dick, and it's getting worse as I get older. Have you ever seen other men with this problem, and what can I do about it?  
—J. H.

Yazoo City, Mississippi

*I hate to be the bearer of bad tidings, J. H., but it sounds as if you're either a mutant ape-man with a fur-covered shaft, or you have a smaller-than-average dick that's being obscured by pubic overgrowth. For your sake, I truly hope that the latter is the case. If you've got a steady hand, using scissors to trim back your pubes to a five-o'clock shadow should create the illusion of a more ample schlong. Think of the trimming as a reverse comb over.*

## IMPROPER RESTRAINT

My girlfriend and I both enjoy an outstanding sex life, and we both go the extra yard to please each other. The problem is, when we make love, she will restrain herself from coming at all costs. When she starts to come, she will either pull away or run. Is this normal? I've

tried to talk to her about it, but she refuses to discuss the matter.  
—J. B.  
via Internet

*There's nothing normal about your girlfriend's inability to allow herself pleasure. It sounds as though your partner has deep-seated sexual issues, whether conscious or subconscious. Either she feels guilty about pleasure, or something very traumatic may have happened to her in the past. I suggest counseling. In very gentle, loving tones, and without placing blame, suggest that she, or the two of you together, speak with someone. Good luck*

## GASH RASH

After I've given my wife head for a long time, I often develop a rash on my face. Do you know what could be causing this? I'm starting to wonder if I'm married to an infected pussy.  
—P. M.  
Green Bay, Wisconsin

*If your wife doesn't have any abnormal discharge or itch, let's assume she's fine. Your post-head breakouts could be*

# BILL AND MONICA

PHOTOGRAPHY BY CLIVE McLEAN

It is an achingly familiar scenario repeated in countless workplaces across the nation. Monica, a fresh-faced young slut, instigates a flirtation with Bill, her married employer. Bill is invigorated by Monica's youth, idealism and utter willingness to perform depraved sexual acts with a cigar in exchange for a slice of pizza.

Monica plays coy minx to the gray executive's paternal pervert; the baby-fat hussy nurtures needs Bill's wife will not open her pursed lips for. Monica understands the therapeutic effects of a hot, slurping blowjob during an important business call. The fleshy doll, young enough to be Bill's daughter, applies the healing effects of her full, girlish breasts to her busy superior's sliding cock.

Despite Bill's efforts to keep the clandestine affair casual, Monica falls in love. In a valiant act of sacrifice, the voluptuous maiden enters Bill's office to give notice that she is leaving his employ.

"I've found a new position," Monica announces.

"Great!" Bill exclaims, unzipping his pants. "Draw the blinds!"

Unable to resist Bill's beguiling charms, his devoted underling agrees to resume her former duties. The phone rings just as Monica guides Bill's rod

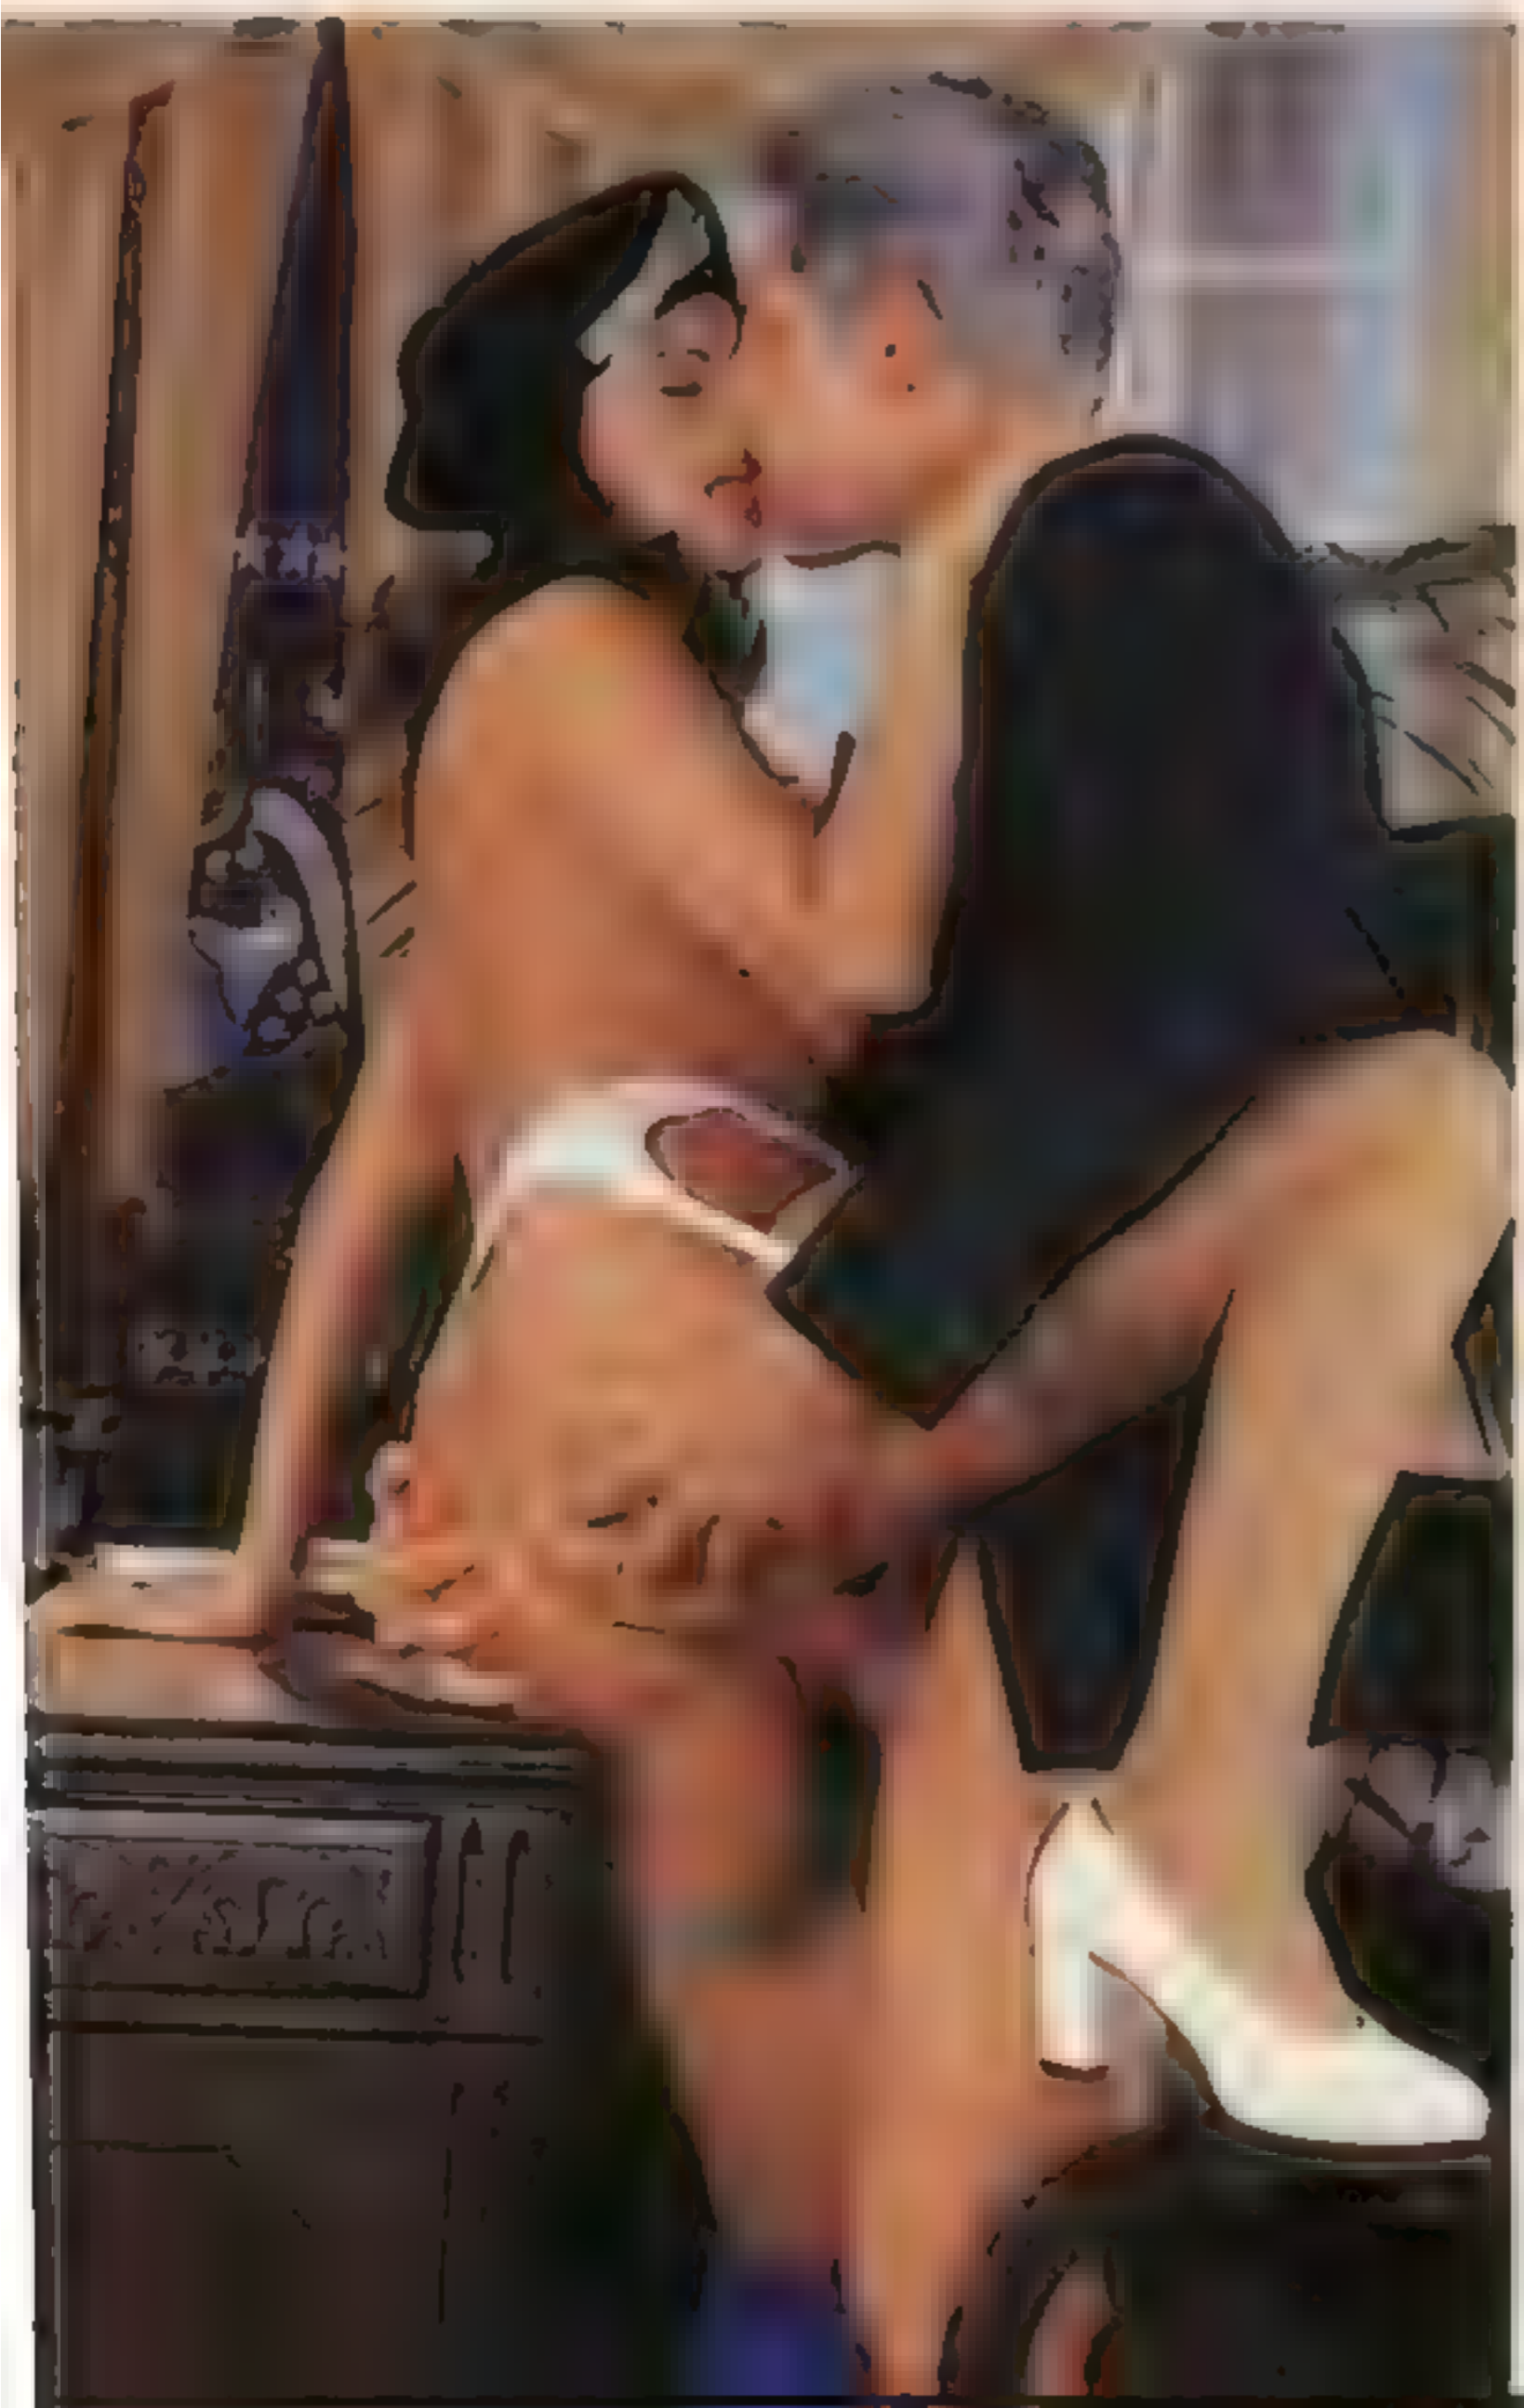

between her lips, but she performs her task undaunted

"I gave at the office," Bill says into the phone. He pumps Monica's mouth full of dick. The lusty executive hangs up and pulls the sex-hungry menial onto his desk.

"Are we having sex yet, Bill?" Monica asks. Her lusty boss laps her mound.

"Now, don't get mushy on me, little one. You know we're just good friends helping each other let off a little steam "

Bill suckles Monica's bountiful tits, his eyes fixed on the office door. Sensing her beloved's distraction, Monica guides Bill's rigid prick back to her lips.

"I love fucking your mouth," Bill muses.

"I was born to suck your cock, sir," Monica drools

★ ★ ★

In a critical lapse of muscular control, Bill fires his splooge onto Monica's face.

"Oh, Bill, I feel like we've reached a new level of intimacy," Monica cries, wiping Bill's declaration of affection onto the sleeve of her blue dress

"Just remember that true love means never having to admit it."

# Dear Slut

(continued from page 20)

Unless you're stuffing your girl's cooch with grapes and then fucking her like mad, your culinary twist on coitus sounds like a safe—and delicious—diversion.

due to a number of factors. Are you fucking your wife with lube before chowing her muffin? Do you yodel up her canyon directly after shaving, when your face is sensitive? Either situation could lead to skin eruptions. Try modifying your rug-munching patterns. If all else fails, keep a pile of wet-naps on hand, and wipe your face regularly when you're licking her split.

## HAIR TACTICS

In some of the porn videos I've seen, the women howl with delight when their partners pull their hair. Last night, I grabbed a fistful of my wife's locks and gave them a good, hard yank. She howled, but definitely not with delight. What gives? Is hair pulling really a turn-on for women?

—O. N.  
Dallas, Texas

A lot of women, myself included, enjoy having their hair pulled. However, there is a definite etiquette to hair pulling. It rarely, if ever, feels good to have your hair yanked by its ends. Start with your fingers at the base of the scalp, almost like you're giving a scalp massage. Then grab a handful of hair, and squeeze rather than yank. Outside of the B&D/S&M community, actual hair pulling is a generally unwelcome practice.

## DINNER À LA CUNT

My girlfriend and I enjoy putting different foods and candies into her pussy. After I make her come with my tongue, we both enjoy these sweet snacks. Is there any food or candy that wouldn't be good to use? Also, are there any foods or candies that you recommend?

—S. T.  
Longmont, Colorado

Unless you're stuffing your girl's cooch with grapes and then fucking her like mad, your culinary twist on coitus sounds like a safe—and delicious—diversion. Common sense also dictates that she shower and pee afterward. Other than that, let your imagination lead you.

## PETAL PULLER

The more a woman's labia minora stick out, the more they turn me on. Will sucking and pulling on the lips eventually develop this look of flaps or flower petals? Would the constant tension required to do this cause desensitization?

—R. H.  
Salt Lake City, Utah

You're not dealing with Silly Putty here, pal. Short of hanging five-pound

weights from your partner's pussy lips—and even that would probably take 20 years to work—any attempts to lengthen your lover's rosebud will probably prove futile. Either adjust your preferences, or look for a more full-flowered bedmate.

## DREAM ON

A couple of weeks ago, for the first time in 15 or 20 years, a sex dream caused me to ejaculate. The thing is, the woman who brought about my nocturnal emission was my 30-year-old daughter. Is having a sex dream about a daughter normal, or should I be ashamed about enjoying it?

—F. L.  
Woodland, California

Freudian types love this kind of question because it allows them to fuck up people's heads even more. The fact is, you have absolutely no control over your dreams. Unless you feel that your dreams are leading you to do something that you shouldn't, I would feel absolutely no guilt about any wayward nocturnal scenarios. The only sticky part of your situation is your sheets.

## DILDO DILEMMA

Recently I bought a black-latex dildo. My new toy looks and feels real, but it

leaves a "spicy" taste in my mouth and pussy and makes my lips (both pairs) irritated. I've washed Big Black a number of times with soap and water, but he still leaves me burning. I thought I was having an allergic reaction, but I lent the dildo to my girlfriend, and she had the same results. What's wrong, and how can I fix it?

—R. P.  
Matamoros, Mexico

Sometimes the solution is the problem. You mentioned that you're using soap and water to clean your latex love toy. Are you sure you're removing all the soap residue? If not, soap in the pussy can definitely cause irritation. Make sure you're rinsing your dildo thoroughly. If the irritation persists, buy a replacement, and consider purchasing a smaller model this time. If your current dildo is too big, it may be tearing tissue, which would also cause discomfort.

# FEEDBACK

(continued from page 13)

some time now and feel for the most part that it's a very good publication. However, there are a few things that I'd like to see included in your future layouts. I would like to see more of the girls with guys. I love seeing a young beauty riding some guy's hard dick. Secondly, I'd like to see some of these sweet things smoking. Not only do I think it makes them look more sexually desirable, smoking also gives the individual a more mature look.

—L. P.  
Roanoke, Virginia

Are you nuts? Haven't you heard the Surgeon General's warning about the dangers of smoking? Pictorials featuring fisting, peeing and bestiality are one thing, but smoking? What kind of example do you think HUSTLER's trying to set, L.P.?

## Doggie-Style

As a longtime HUSTLER subscriber, I'm hoping you can help me. I would appreciate it if you would send me an address (or addresses) telling me where I could send for catalogs that include spiked dog-collar necklaces, etc. I see them on girls in your magazine, but I can't find anybody that sells them. Thank you very much.

—D. O.  
Kankakee, Illinois

Have you tried your local pet store?

## Senior Slitizens

I'm 76 years old, and I've subscribed to HUSTLER for some years; you can check my records. I buy HUSTLER because it's a very good magazine. The girls are beautiful, but they are too young for me. I wish you'd put some ladies in HUSTLER who are the same age as, or older than, me. I'm sure you have many older readers who feel the same way.

—J. S.  
Kissimmee, Florida

You would think so, wouldn't you, J. S.? Unfortunately, HUSTLER'S *Horny Great Grandmas* tested surprisingly low in our focus-group studies; so we probably won't be featuring elderly gash in our pages until the tide of popular opinion turns. You'll just have to settle for pictures of young, beautiful girls in the meantime.

## HUSTLER for Chicks?

My husband buys your magazine regularly, and I often find myself reading the articles, comics and humor. I would

like to know if your company publishes any magazine for women. If not, would you consider doing so? There aren't any real good magazines for women out there, and I would really enjoy a HUSTLER for women. Please let me know.

—K. F.  
Lebanon, Ohio

We're elated to hear that you and your husband make it a habit to share his copies of America's Magazine. Yours is truly a blessed union. HUSTLER is firmly committed to breaking down gender barriers. We strive monthly to produce a publication that offers a little something for the ladies as well as for the men who

love them. If you're suggesting, however, that HUSTLER should publish a magazine focusing primarily on pictures of naked men, we're afraid you'll be waiting a long, long time. Give us a call as soon as the first pig turd falls out of the sky and onto your windshield. Thank you for writing.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to [hustler@lsp.com](mailto:hustler@lsp.com). Include a phone number if you want your letter considered for publication. ☺

# HOT LETTERS

## THE PIDDLE PRINCESS

There's a new temp at work who I think is way hot. His name is Adrian, and every woman in the office wants to fuck his brains out. I, however, am the only bitch who can honestly say Adrian has swallowed my piss.

See, when I say *bitch*, I mean I am just that—a bitch in heat. I will mark my territory; if some other bitch wants to compete, I'll tear her throat out. The way I made tall, dark and handsome Adrian mine was by squatting over his desk after hours and squirting a few drops of golden urine. I had to be fast so the cleaning crew wouldn't catch me.

Last week, I was doing my late-night duty when I noticed an open can of cola next to Adrian's photo of his girlfriend. My panties were around my ankles anyway; so I squatted over the can and let a yellow stream fill the opening. Of course, that's sloppy work for such a tiny hole; tinkle splashed over the edges and—*ooops*—all over his significant other's smiling face. Oh, well!

The next morning, I spied from my cubicle as Adrian downed my bladder soda. A funny look crossed his face before he disgustedly tossed the can into the trash. I could see my pissy mojo take effect in his bloodstream. Only a minute or two passed before Adrian stood with a pronounced erection and approached me.

"I, *uhh*...hope this isn't inappropriate," he stammered as I sat typing. Unconsciously, he adjusted the bulge that threatened to poke my eye out. "I just

attended that sexual-harassment seminar, and I would hate—"

I interrupted by sliding my hand up the inside of his thigh. "It's not harassment if you don't say anything. Shut up, and meet me in the last stall of the ladies' room."

Soon we were caught in an impassioned clinch behind the locked bathroom door. Hopefully, no one would look under and notice our two sets of feet; I'm still under disciplinary probation for fucking that delivery driver in the break room. Loosening Adrian's belt, I knew any punishment would be worth it; a dong popped out that was nearly the size of my arm.

Adrian lifted my skirt, cupped my silk-

encased bottom and went down to kiss my lower lips. Despite my hormonal head rush, I found the good sense to stop him.

"Wait," I blurted, lifting his chin to meet my gaze. "I've got to let you know: The only reason you're screwing me is because I peed in your drink. It's like my wet voodoo." Undaunted, he tore off my panties and lewdly tongued my puffy labes.

Between slurps, he panted, "Give me a fucking break! You're a 5-11 blonde with big tits and legs up to her ass. I already wanted to pork you." Relieved, I stretched out those gams as far as possible in the cramped stall. By positioning my cheeks on the toilet seat just right, I could

## Tom Byron: Lord of Asses

**FULLY ERECT**

Directed by Tom Byron,  
starring Chandler, Jessica Darlin, Elaina,  
Alexandra Nice, Iroc, Stryc 9 and Tom Byron  
Videocassette: Extreme Associates

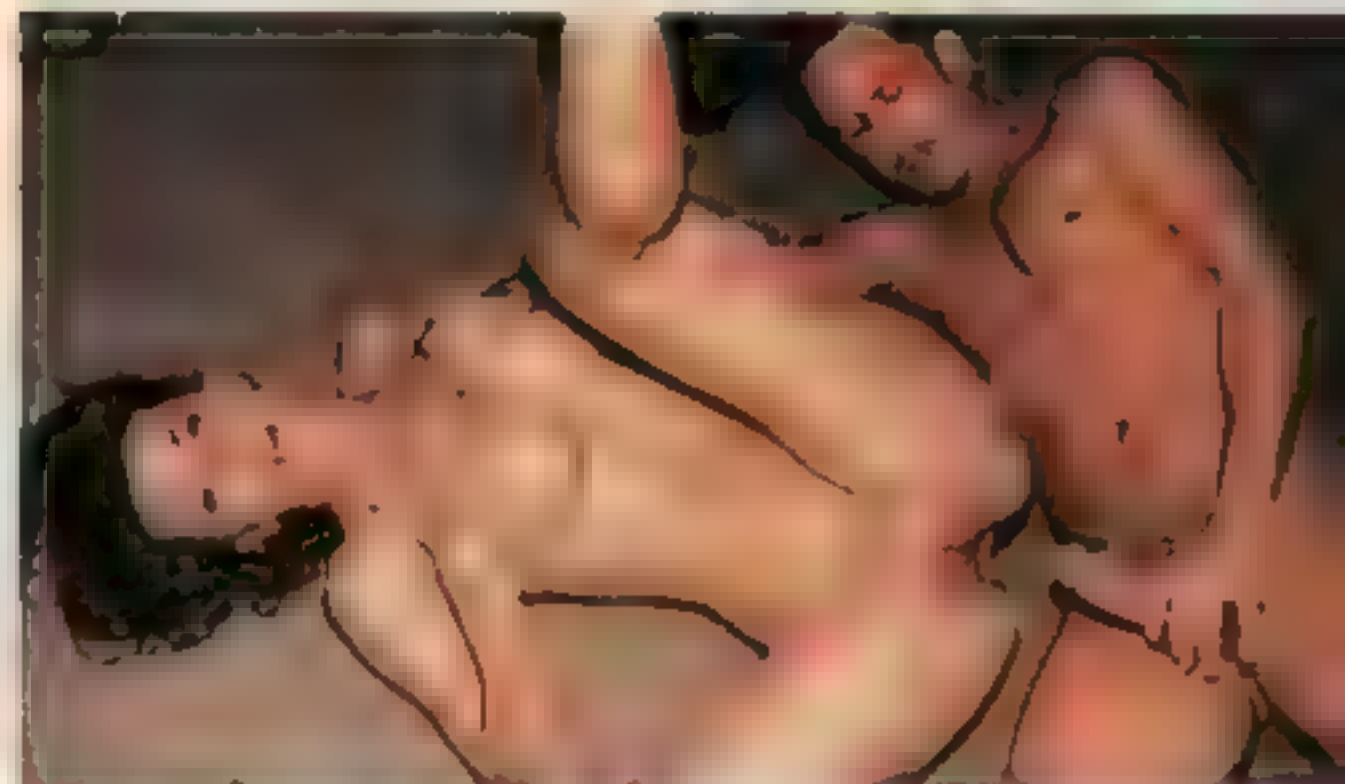

King Arthur established his reign over England by pulling Excalibur from a single stone. To achieve the magisterial title *Lord of Asses*, Tom Byron buries his sword in six alabaster heinies. Byron's subjects are all first-class asshole sluts. Elaina, a Russian-speaking angel cake with butt lips the color of bright-pink frosting, gives sweet turd-ring submission, whimpering meekly with each stroke. Rump-nailed slut Jessica Darlin makes weepy eyes and chews on the leather seat cushion as Byron asserts his mastery over her turdy kingdom. What kind of bitch slurps colon slime from a dick freshly unplugged from her own sphincters? Flame-haired siren Chandler does not flinch from the shit-flavored dick rammed down her gullet. Chandler's supremely unhygienic act proves her a princess in her own right, worthy of every liquid jewel slopped on her kitteny kisser. Lord Byron is a benevolent butt-fucker. He lovingly nibbles each trollop's crap mouth before mounting their cushiony thrones of stink and subjecting them to regal acts of sodomy. *Lord of Asses* is a noble XXX. —Mack Assarian

LORD: Darlin mounts knob.

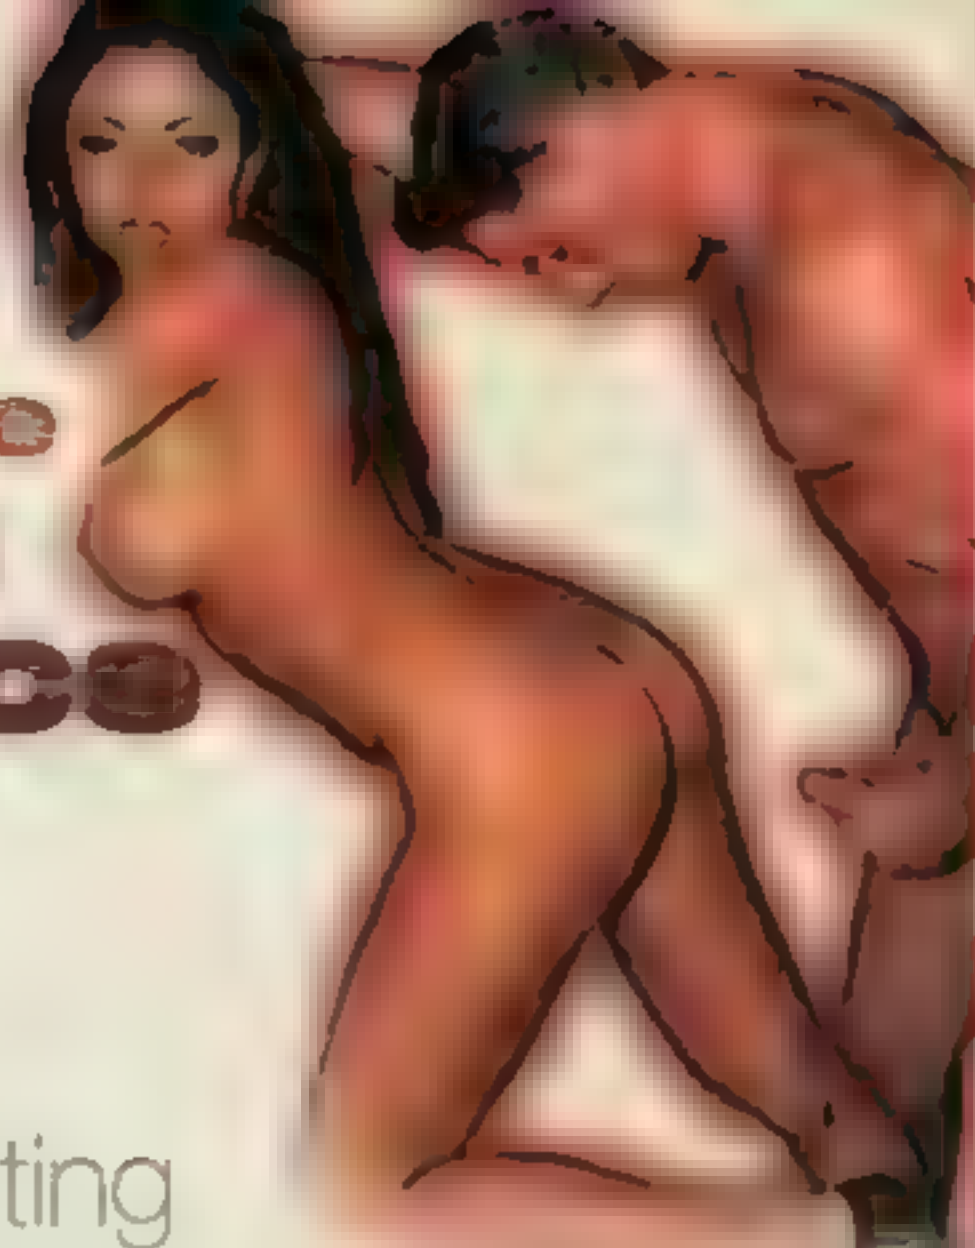

LORD: Stryc 9 displays gaper.

LORD: Byron nails Nice.

# HIV- Positive Marc Wallice

In harm's way: Tia Bella takes a shot from Wallace.

## Wounded Cocksman Denies Shooting Deadly Sperm

Marc Wallace's life as a porn star is over. The 39-year-old veteran of more than 1,500 XXX videos is HIV-positive. As reported in the December 1998 HUSTLER, Wallace has been accused of faking AIDS tests and knowingly infecting three female performers with the deadly disease. Wallace, who appeared fit in his recent interview with HUSTLER, denies most allegations against him.

**HUSTLER:** Did you take any AIDS tests in the past?

**Marc Wallace:** One test. A couple of years ago I had a job the day after my test expired. I changed the date on it. Okay, that was stupid. People always show up on sets with tests that are two or three days expired, and they work. It's not like I changed a positive test to a negative test.

**HUSTLER:** Sharon Mitchell [who supervised AIDS tests for Protecting Adult Welfare] has stated for the record that her organization is helping infected performers with medication and therapy. What has her organization done for you?

**Wallice:** Nothing. I called her a couple days ago. She said, "Everyone's mad at me. I need a hug." They don't care about nobody.

**HUSTLER:** It is rumored you were infected with HIV from a dirty needle while shooting cocaine.

**Wallice:** That's bullshit. Whoever says they saw me shooting up in the past two years, come and say it to my face.

**HUSTLER:** When was the last time you used a needle?

**Wallice:** Not since I shot up with Sharon Mitchell seven years ago [Mitchell, who states she is clean today, admits to having taken drugs with Wallace in the past].

**HUSTLER:** Brooke Ashley claims you gave her HIV during the making of the *World's Biggest Anal Gang-Bang* in January 1998.

**Wallice:** I was diagnosed as HIV-positive after working with Brooke on that video. I think she gave it to me. I worked with 14 girls during that time all without a condom. I fucked a bunch in the ass. They're not HIV-positive. Brooke is the only fucking filthy slut of the bunch. I think she brought it [HIV] into the business, the filthy, fucking dirty, ass-fucking, gang-bang taking hooker crackhead. [Ashley admits to "occasional" drug use in the past and to having worked part-time as a callgirl.] A year and a half ago, she [Ashley] and I were bingeing together on coke, fucking and sucking. I came in her plenty of times back then. She's now telling people I've been HIV-positive for years. Why didn't she get it then? How come people didn't get it before with all the times I've come in girls' fucking eyes, not just to say their assholes?

**HUSTLER:** What do you do to keep your spirits up these days?

**Wallice:** I feel better when I see stuff on TV like a bombing. Some guy on his back with his legs over on the other side of a wall. Whole families killed on train tracks, whatever. It makes me think there are a lot of people worse off than me.

**HUSTLER:** What do you miss most about your old life?

**Wallice:** Pussy. I had more of it than most people get in a few lifetimes. Now I see a girl in the supermarket, and all I want is to feel her skin, taste her pussy, but I can't. Now I'm lost. I don't have any friends outside the business. A few people called me to ask how I am. That's it. I assume all the people that haven't called are against me.

**HUSTLER:** Of the hundreds of girls you fucked in the past few years, have any of them called?

**Wallice:** Not one fucking girl. My life can't get any worse, unless I'm indicted.

## Vortex

TOTALLY  
LIMP

Directed by Jim Enright;  
starring Shayla LaVeaux, Nikita,  
Melanie Stone, Rayveness, Juli Ashton,  
Vicca, Nici Sterling, Syren, Johnni Black,  
Don Hatt, Tony Tedeschi, Jonathan Morgan,  
Kyle Stone, Dave Hardman, Ian Daniels  
and George Kaplan  
Videocassette: VCA Pictures

A soured tart looms on the screen at the start of *Vortex*. Her face is paved with makeup, but it fails to hide the old bag's sagging jowls and eye wrinkles. Her head looks like a carved granny apple in a wig. How old is this bitch? A bitch's tail is the last part of her body to go, but a functioning dick trap is hardly the sole requirement for appearing in a fuck vid. Used-up skanks in a XXX reveal contempt for the viewer. Nowhere is this contempt more obvious than in Tony Tedeschi's bogus money-shot. A hole kneels at Tedeschi's feet. She lubes his crank with her tongue. Tedeschi extracts prong and jacks off in her face. She gulps air while he feigns the sounds and motions of a spuzz eruption, but his balls are dry. Nothing comes out. Scene ends. Tedeschi has delivered the emperor's new clothes of pop-shots. *Vortex* is a ripoff. —M.A.

## Pornological 1

THREE QUARTERS  
ERECT

Directed by Camera Guy,  
starring Claudia, Barrett, Mia, Cheyenne, Inan,  
Chris, Billy, T. T. Boy, Mr Marcus and Oscar  
Videocassette: Odyssey Group Video

Having graduated from onscreen fuck doll to one of porn's more bankable trade names, Shane ostensibly "presents" *Pornological 1*, but appears nowhere in its acting or production credits. Shortly after those credits fade, the viewer discovers the blue-screen icon's true contribution: She obviously imparted her knack for spank-inducing nastiness to the vid's nymphs. The lovely, fresh-faced gamines who populate *Pornological 1* exude a genuine love for their work. Claudia, a flaxen-tressed, Gen-X beauty, puts knees to

shoulders and engulfs Chris's veiny, donkey-size dong with her bubblegum snatch. Her compact cunt visibly strains to accommodate its oversized invader. Claudia pants and yelps through a thorough honing before receiving a splurge sacrament on her pierced, outstretched tongue. Genuflecting before a tumescent tube of man meat, Inari presents a case study in five-star fellatio. Several other lust-driven lasses possessing equal amounts of beauty and enthusiasm for cock make *Pornological 1* the logical choice for the discriminating stroker.

## Sodomania 25: Spring Break in Budapest

HALF  
ERECT

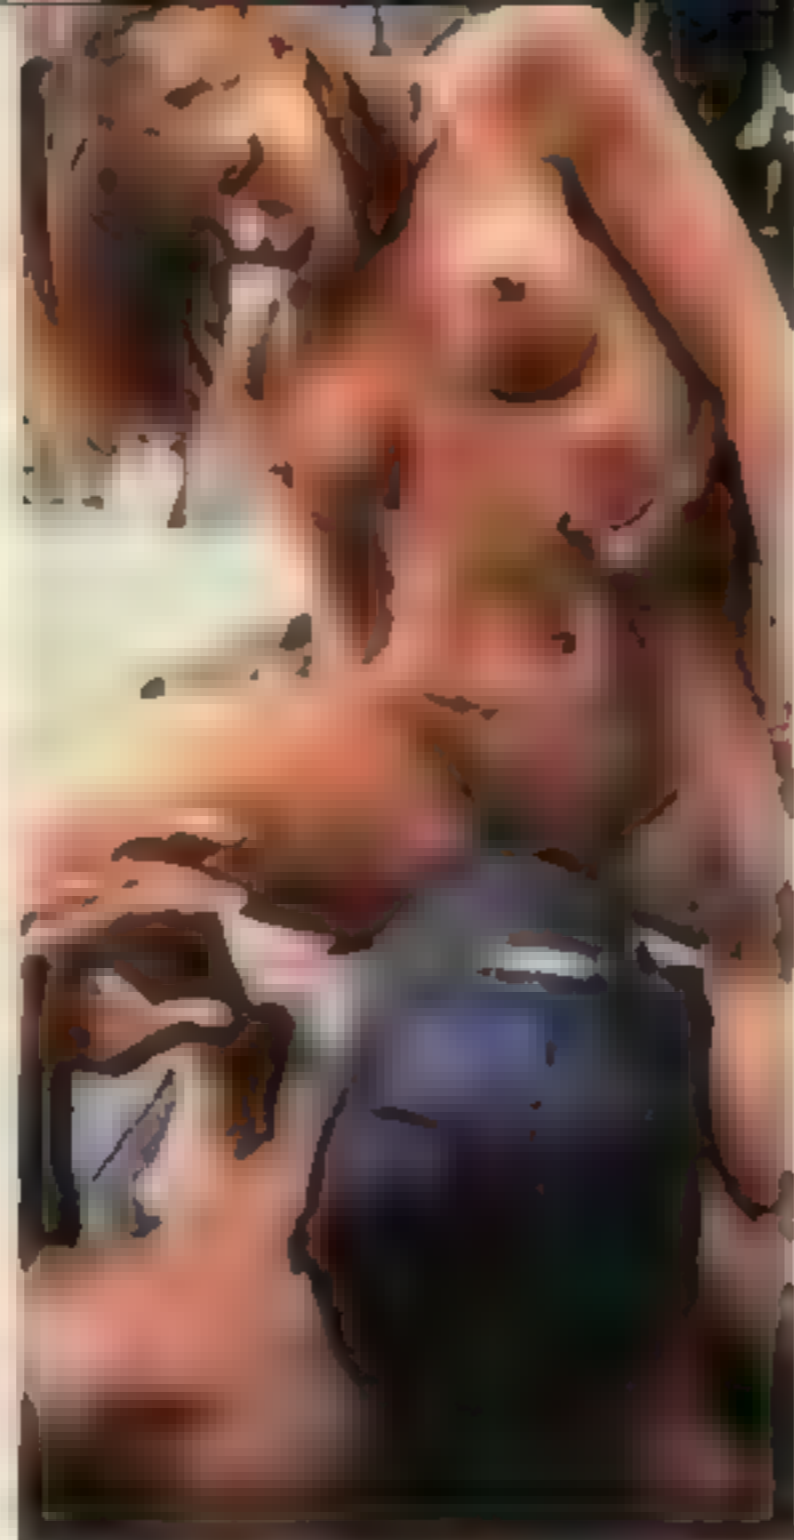

Directed by Patrick Collins,  
starring Rachael Teez, Vanda, Greta,  
Barbara, Cindy, Katee, Rebecca Blonde,  
Leslie Taylor, Emanuel, Frank Gunn,  
Nick Lang, Mae Foster and Brockton O'Toole  
Videocassette: Elegant Angel

Sweet, fuckable porn bitches sprout like weeds in East Europe, where Patrick Collins encamps for the 25th installment of *Sodomania*. Somehow, Collins makes colorful depravities seem as dull as a methadone high. Shots of Euro dudes in tight jeans sitting around chatting on cell phones do not make interesting filler between hump scenes. Halfhearted, pseudo-kink bores. Yogurt and hot candle wax are dribbled onto the back of a dolish-looking, yellow-haired tramp. Her moans of simulated ecstasy rise and fall with the same intensity, whether she has a plug up her bung or she is lolling on the carpet, untouched, waiting for her next cue. Expectations rise with the arrival of Barbara, a pie-faced, mildly buck-toothed pork doll with dirty-blond snizz curls and tits as wiggly and fluffy as baby bunnies. Barbara's pre-double-penetration shower makes pleasant viewing, but the dirty deeds perpetrated against her bottom holes are marred by views of pimply male ass, as if filmed by a bored fag. *Sodomania 25* makes the fresh, bountiful cunt harvest of East Europe seem stale.

—M.A.

VORTEX: Sterling rides stud

PORNOLOGICAL: Barrett bounces

SODOMANIA: Barbara prepares for a butt stuffing.

## Live Sex Now.Com: The Video Volume 1

TOTALLY  
LIMP

Directed by an uncredited monk with shaky hands, starring an anonymous crew of bottom barrel bimbos that you wouldn't fuck with Kenneth Starr's dick Videocassette: Odyssey Group Video

Fundamentally flawed in its premise, *Live Sex Now.Com* chronicles the live-action goings-on at an "interactive" pay-per-screw Web site where computer geeks type sexual commands to a crew of chippies from splooge-encrusted keyboards. What the nameless perpetrators of this snoozer failed to consider is that the main appeal of such sites—the ability to spontaneously orchestrate a sexual scenario—doesn't translate to videotape. Worse, the parade of buttugly participants makes *Live Sex Now.Com* a pathetically dick-deflating affair. A haggard, pimply-arsed gargoyle dispenses uninspired head to a twentysomething swordsman with wood deficiency. A fright-wigged, troglodytic tramp of indeterminate species pogos on a goateed goon's meat stick to nauseating effect. Fittingly, the vid's lone pop-shot—delivered by a pockmarked ape who may be on the set as part of a prison work-furlough program—yields a measly dribble of dick sauce. *Live Sex Now.Com* is dead on arrival. —S.A.

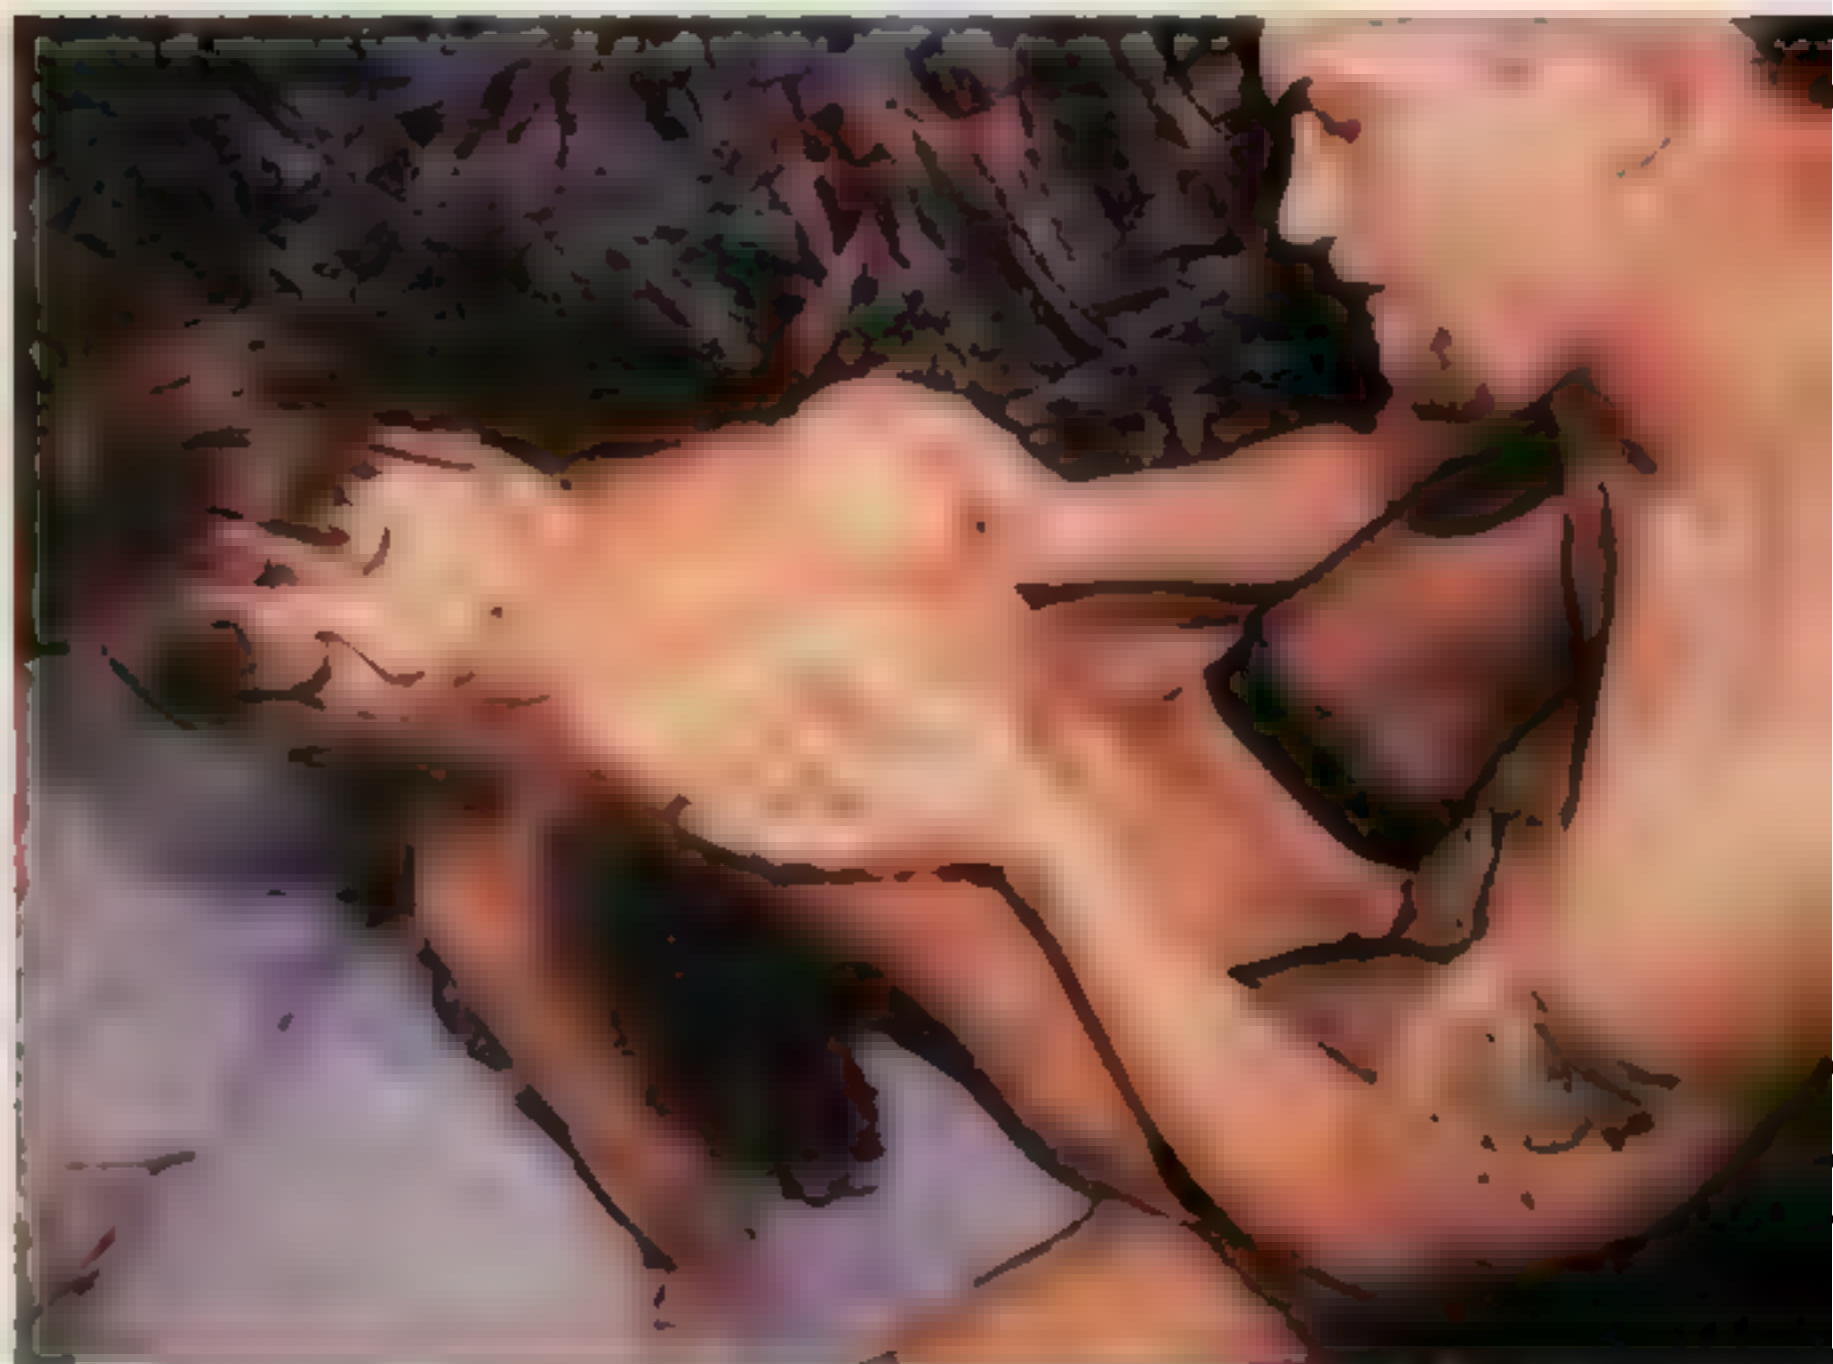

## Barefoot Confidential

HALI  
ERECT

Directed by Mark Archer starring Timber, Brittany Andrews, Roxanne Hall, Avalon, and Michael J. Cox Videocassette: Toe-to-Toe Video/Extreme

*Barefoot Confidential* aims to throw foot fetishists into spasmodic fits of cock wrestling. The four women who bare their soles in this vid are mostly of the generic, bottle-blond and surgically enhanced porn archetype, and their feet are, from a non-fetishist's eye, fairly unremarkable. Writer-director-drooling-pervert Mark Archer does, however, concoct imaginative ways to showcase the trollops' tootsies. Timber, violating the state vehicle code by driving barefoot, is pulled over by Michael J. Cox. Officer Cox takes Timber's toe prints and sentences her to a backseat boffing, complete with foot-to-dick resuscitation. Only the sternest foot-hating extremist could dislike Roxanne Hall and Avalon's sapphic segment. Some viewers may be repulsed by Avalon crushing earthworms under her bare feet, but the ass-rimming, twat-nuzzling hoedown that ensues is undeniably crotch-stiffening. *Barefoot Confidential* toes the line for foot-loving freaks. —S.A.

LIVE SEX NOW.COM: Chris grabs Eden's apples.

BAREFOOT: Timber cleans scum from toes.

# Fighting for Your Right to XXX

Fighting for the Nation's Top  
Free Speech Advocate  
Nadine Strossen

Nadine Strossen, president of the American Civil Liberties Union, was honored at the 11th annual adult-industry Night of the Stars soiree held at the Sheraton Universal Hotel in Universal City, California, on August 7. HUSTLER Founder and Publisher Larry Flynt presented Strossen with the Hal Freeman Freedom Isn't Free Award. Each year since 1989, the Free Speech Coalition, a XXX-trade and advocacy organization, has bestowed the Freeman Award on individuals whose vision and sacrifice have advanced the cause of First Amendment freedom. Flynt, recipient of last year's honor, praised Strossen as a woman "who has fought most courageously for our civil liberties and individual rights."

Nadine Strossen, a feminist, the former editor of the *Harvard Law Review*, a law professor and a frequent com-

mentator on CNN, reminded the audience that the true heroes of free speech are the "anonymous individuals all around the country who are on the front lines: the librarians, the video-store owners, the bookstore owners, the teachers."

Strossen is the author of a collection of essays titled *Defending Pornography*. Her book contains no explicit photos nor any material intended to arouse prurient interest. In the past three years, public officials in Cincinnati, Ohio, and Ventura, California, have attempted to ban Strossen from speaking and remove her book from stores.

HUSTLER salutes free-speech champion Nadine Strossen. If the rest of her anatomy is as sexy as her brain, any position is open to her in America's Magazine

## Nina Hartley's Guide to Sex Toys

ONE-QUARTER  
ERECT

Directed by Nina Hartley,  
starring Nina Hartley, Angelica Sin, Dee  
Inari, Mark Anthony, Ian Daniels and  
Rich Handsome  
Videocassette: FSO

Infomercials are annoying enough when they preempt an evening of late-night trash TV. When they're hosted by over-the-hill porn crones and packaged as fuck flicks, they're downright fraudulent. Basically a shill job for the Adam and Eve mail-order empire, *Nina Hartley's Guide to Sex Toys* finds the withering Hartley delivering a seminar on a menagerie of fuck props, assisted by six blue-screen luminaries. After Hartley's insufferable, New Age yammering ceases, and the half-dozen humpers initiate coital contact, *Guide* takes a turn for the better. *Guide's* A-list assemblage of video tramps—farm-girl-fresh, dirty blonde Inari, dusky dick-gobbler Dee and the angelically assed Angelica Sin—is most impressive. Unfortunately, Hartley's mug intrudes and puts a buzz kill on the vibrator-aided fuckfest. As Inari huffs her way to a hoo-ha via a vibrating egg and Ian Daniels's flesh hammer, Hartley bovers over her like a creepy camp counselor, tweaking the squealing fuck pig's nipples. Despite a promising cast, this *Guide* hopelessly loses its way.

—S. A.

## The Look

HALF  
ERECT

Directed by Ralph Parfait,  
starring Tia Bella, Sunny, Alyssa Love,  
Laura Palmer, Nick East, Tim Hard  
and Marc Wallace  
Videocassette: Vivid

Strip away the hokey, hackneyed lesbian-vampires-stalking-a-modeling-school-in-search-of-fresh-blood plot, and *The Look* boils down to approximately half an hour of actual sex. The consolation is that half hour is as steamy as the rest of *The Look* is burdensome. Exotically dark, pneumatic-racked Tia Bella is the

centerpiece conch in this Goth-flavored gash festival, and rightfully so. Bella possesses bedroom eyes and pouty lips that make grown men weep semen; she obviously knows her way around the nether regions of both sexes. Bella throws the male viewer into fits of twat envy as she slurps the snatch proffered by blond bulldyke-in-denial Sunny. The sight of AIDS-in-porn poster boy Marc Wallace parting Bella's lips with his tainted meat adds eerie undertones to *The Look's* sex-as-death theme. Somehow, Bella's ban-shee wails as Wallace buries his (thankfully raincoated) bone in her undulating backside turn the mind to dick diddling, not disease. When it focuses on poontang packing instead of plodding plot, *The Look* is worth a look.

## Hot Girls, Hard Sex

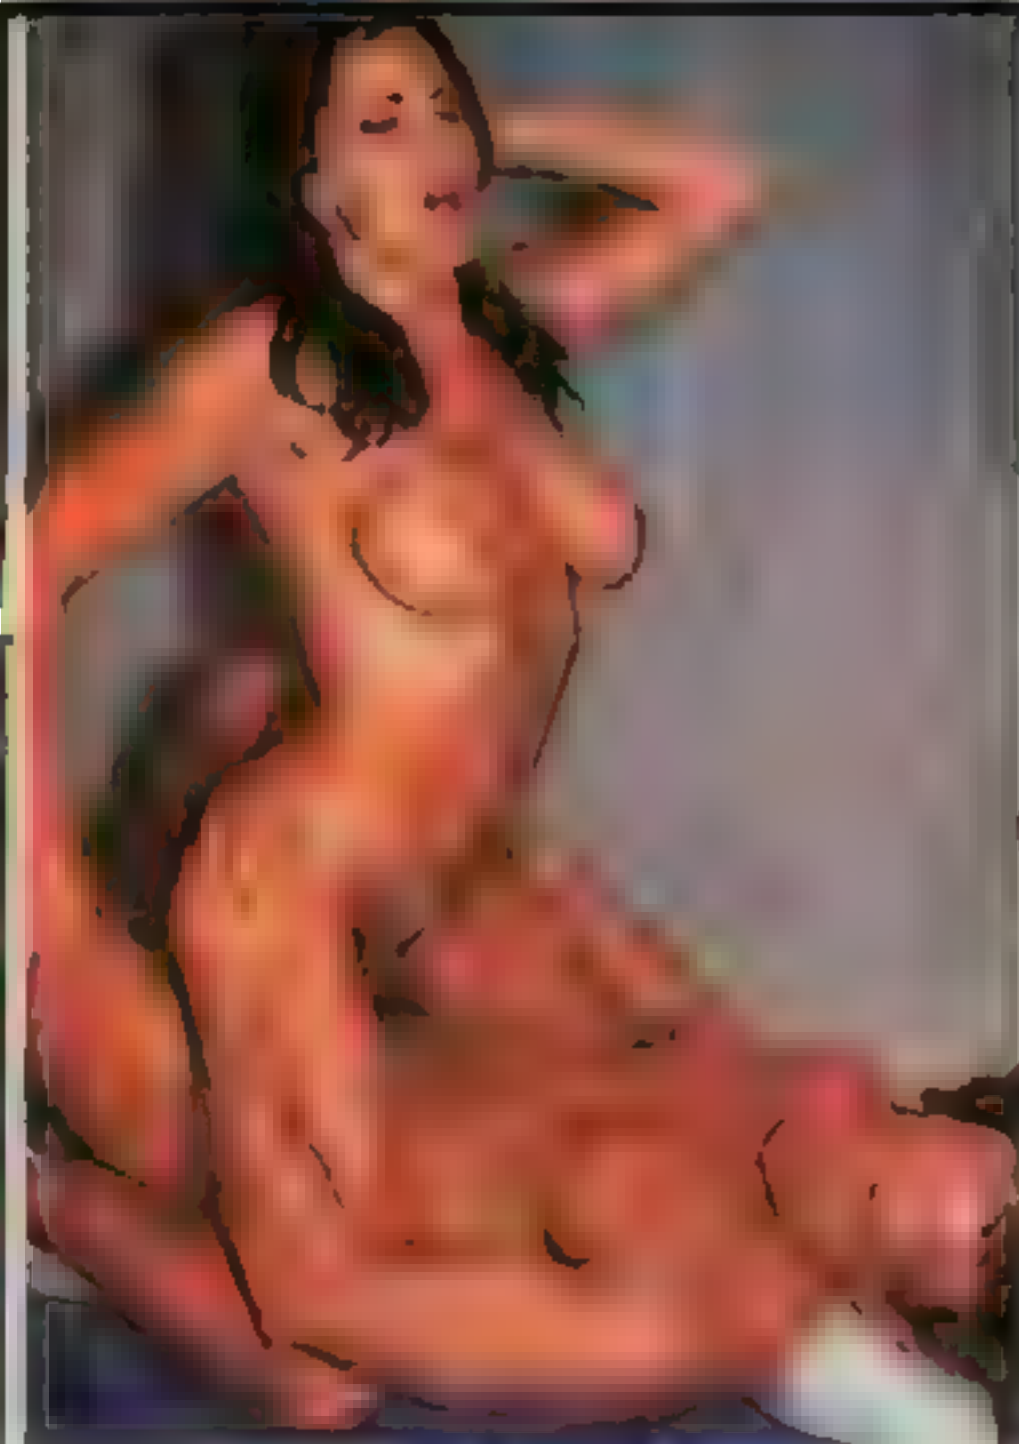

THREE-QUARTERS  
ERECT

Directed by Helen Duval,  
starring Helen Duval, Rikky Dix, Dina Pearl,  
Alexa Schiffler, Lea Martini, Sophie Call,  
Kathy Divine, Laika Belise, Gina, Kacsea,  
Kris Knight, Alberto Rey, Marco Solo  
and Brandon T  
Videocassette: VCA Pictures

The super-advanced chest missiles displayed by some of the Teutonic fuck goddesses in *Hot Girls, Hard Sex* suggest that Hitler's scientists may have successfully bred the ideal porn slut. There is no other explanation for the army of uber blondes that invades the screen with enormous, natural tits that point up to the stratosphere no matter which fuck position their owners assume. *Hot Girls* attains meltdown intensity when Sophie Call and Kathy Divine grind their cunts together and present one of the loveliest sights of nature: their gashes and shit wickers squeezed on top of each other, dribbling with lube, waiting to be plundered. A lone cocksman manfully drills all four holes. The merciless onslaught continues. A pair of superior sirens engage four males in simultaneous double penetration that concludes with spuzz bombs detonating across their eugenically perfect smiles. *Hot Girls, Hard Sex* may burn your right hand.

## Freak

THREE-QUARTERS ERECT

Directed by Jon Dough  
starring Lovette, Alexandra Silk, Charlie Meka, Katie Gold, Shawna Valentino, Bree Ann, Sarah Taylor, Jake Steed, T. T. Boy, Jamie Gillis, Antonio Kulanana and Jon Dough  
Videocassette Vivid

Improbably cast, *Freak* stars haggard porn vet Jamie Gillis as an abused son who suffers at the hand of his father, played by a decades-younger T. T. Boy. Sound like a bad joke? Of course it is, but Boy and Gillis salvage this vid with convincing turns as, respectively, a Ray Liotta-type psychopath and a suicidal "young" man who resembles Peter Falk on the skids. It doesn't hurt that *Freak* is loaded with porn sex the way it should be: furious, degrading and without distracting preliminaries. Ripping cocoa-colored cum-guzzler Meka's dress to shreds with one swift tear, a grinning Boy ferociously stuffs her snizz cowgirl-style before spewing a volcanic blast of pecker snot on her quivering leg. Gillis, stumbling upon Shawna Valentino engaged in a post-piss wipe, abuses the tarty brunette on a shitter-stall floor. Ass upturned, her tumbling, black hair grazing the toilet water, Valentino feels the burn as Gillis pummels the reform-school dropout's vaginal vault with his wrinkly, wiry-bushed cudgel. Mean, obscene and occasionally morbid, this *Freak* puts on quite a show. —S.A

## Rob Black's Friend to the Black Man

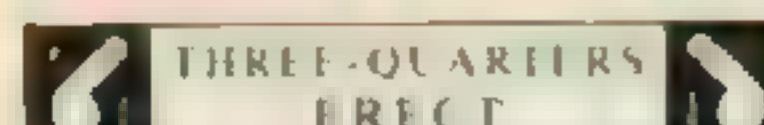

Directed by Rob Black  
starring Peaches, Porsha, Kiwi, Fonda X-Stacee, Brown Sugar, Vanity, Viveca Coca, Tony Eveready, Byron Long, Lexington Steele, Brandon Iron, Jonathon, Weed, and Darren James  
Videocassette: Extreme Associates

*Friend to the Black Man* can be safely viewed without a barf bag. Previous Rob Black efforts had the look of gross-out contests staged at a mental-asylum cafeteria. Not a single dead fish is shoved up a twat; no chicks gag on hors d'oeuvres made from Ritz crackers, Cheese Whiz and sperm. *Friend to the Black Man* is a well-filmed homage to African American fuckers. Emerging from a cloud of bong smoke, a tribe of brothers descends on a lone African princess. She is spread on a pool table and initiated into a traditional urban ritual gang-bang. A succession of wide-eyed soul sisters chokes down foot-long spears; brothers slam nappy gashes and fuzz-ringed sphincters in a variety of low-rent settings. One big-cunt sister scarcely blinks as two black snakes slither into her slit at once. Rob Black quotes liberally from a book titled *The Nigger's Bible*. Some may be offended, but Italian American Rob Black is fair. He is equally offensive to his own race, the Wops. The pornographic offenses committed in *Friend to the Black Man* constitute high-quality hard-core.

## HUSTLER's Beaver Hunt #3

Directed by various amateurs, starring Katie, Toni Reyes, Indonesia Stephanie, Natalia, Lili St. Cloud, Cori, Jasmine, Rod Steady, Leon, Sebastian and Ricky. Videocassette: Vivid

available. Katie is a friendly, jumbo-stacked gal who enjoys chugalugging cock snot from a dog pound's mix of white and black men. Katie's homemade-XXX loops indicate suburban bliss; it appears as if half the neighbors on the block have dropped in to fuck her face. Toni, a blond, amber-skinned Negress, pairs with a Caucasian buddy who jams her silky love box to bursting with his bulging, white sausage. A 21-year-old hellion named Jasmine steals the show. Jasmine

is a wild youth with blond hair like a sunburst and pierced, puffy nerps. Her boyfriend gives her a lesson in tough love, grabbing her by the neck and shoving her face into the wall while he jackhammers her poon. A variety of ginches enjoys public foreplay. Dressed only in standard, pervert-issue raincoats, they stalk alleys, subways and department stores flashing beav to unsuspecting passersby. *HUSTLER's Beaver Hunt #3* scores fresh, free-range ginch.

The bitch knew how to turn on the charm; a musky scent suggested she had also cranked up the slime factory between her pasty thighs.

balance my heels on the door, thereby opening my womb for deep, oral penetration. Adrian stabbed my G spot with his taste buds, and I nearly came on the spot.

Noting my orgasmic moans, Adrian pulled back. His wood had sprouted to an even more impressive length. He lifted my ankles to his ears and dropped every inch between my legs.

"Ohh-ohh-ooooof!" I wailed, stretching to accommodate the massive injection of beef. The head was fat enough to pummel some deep, dark, secret spot of my sex; I bucked beneath the assault and clawed Adrian's back. Let's see him explain those red streaks and a sore dick to his cunt-faced girlfriend tonight!

He pushed further into my depths, not so much indulging in strokes as a simple test of quim-bursting endurance. The lack of motion between us was intense. My walls quivered at the slightest twitch of his rod. Before I knew what was happening, I was coming rockets.

"Faster," I begged. "My cunt is exploding; fuck it as fast as you can!" Finally, Adrian granted me merciful thrusts, driving me over the edge of coherency. I screamed, swore and nearly passed out; a warm splash across my lips brought me back to life.

Adrian yelped, "All over your face," as he peed off several squirts in my direction. He was still leaking when I grabbed his nozzle and aimed for my tonsils. I sucked as many leftover cum drops as Adrian could supply.

Before we left the bathroom, I forced him to squat before me while I pissed in his face. Like I said, I mark my fucking territory!

## SLAPPY NEW YEAR

Each new year arrives crammed with possibility like a size-queen faggot's asshole. For example, 1999 could be the best 365 days of kinky sex in America's history. We've seen a President set the tone by allegedly shoving a stogie up a fat chick's twat. We've seen the arrival of genital technologies, such as Viagra and laser vaginal-reconstructive surgery, that promise to make sluts and studs of the most tired old fuckers. Most importantly, I've seen Colleen—the sloppy-jugged, drop-dead-gorgeous redhead I sniffed after throughout the majority of 1998—naked.

Although I spent last night with the length of my manhood bullying past Colleen's stubborn rectum to fill her anal cavity with hot chum, I'm actually pretty shy around women. It's a miracle that I

even had the nerve to talk to Colleen the first time I laid eyes on her. That scorching summer night was almost as hot as Colleen's tight shitter.

She was smoking a cigarette outside an art-film theater showing some glorified porn flick. I just happened to be drooling over a pair of surprisingly large Japanese boobs exposed on the movie poster when I overheard Colleen's conversation with her deadbeat date.

"I felt the rape scene was offensive," mewled the goateed loser who had inexplicably landed such a saucy, fiery-haired, hot-bodied sexpot upon his spindly arm. "And tacky! All that nudity when he entered the concubine from behind was utterly gratuitous." Sounded like pretty exciting stuff to me, but there was no way I was going to sit through two hours of gibberish for two minutes of spank footage. Besides, a far better show took place for free outside the theater; the stage was Colleen's chest, and the stars were a pair of quickly stiffening nipples.

The aroused, amateur film critic stated, "First of all, she wasn't raped. She simply liked rough sex. I know where that slanty-eyed concubine was coming from; watching the samurai pull her hair and rub her face in the dirt has my panties

soaked." Not only was Colleen a hell of a lot more fuckable than either Siskel or Ebert, but she was smarter too. Hopefully, she didn't sport a bush like Gene Shalit's hair; I decided to find out by making a move on the delectable, freckled queen of kink. My attack took place when her closet-case date made a beeline for valet parking.

I grabbed my lust object's soft, yielding shoulder—undoubtedly causing her pale skin to burn crimson—and brusquely demanded, "What's your name?" Now her pretty face was burning too. Taken aback, she wildly eyed me from head to toe...then settled on the pronounced swelling in the crotch of my khaki pants.

"Colleen," she dripped, her tone all gooey seduction. The bitch knew how to turn on the charm; a musky scent suggested she had also cranked up the slime factory between her pasty thighs.

I insisted, in the rudest possible terms, that her boyfriend was a loser and Colleen should immediately accompany me to the nearest trash-filled back alley. She just smirked, pulled a pen from her pink, fuzzy purse and scribbled something illegible onto a small piece of paper. Then she climbed into laughing boy's

After hours of scrutinizing her scrawl, I realized the dirty girl had slipped me her address. Triumphant, I rubbed the wad of paper up and down my shaft while masturbating.

Volvo. I studied the circumference of her ripe ass as she bent to fit through the passenger door, then took a silent vow: Those cheeks would be parted by my steely slab of beef, or I would die trying.

The first step toward boffing Colleen was a thorough decoding of the note she passed me. After hours of scrutinizing her scrawl, I realized the dirty girl had slipped me her address. Triumphant, I rubbed the wad of paper up and down my shaft while masturbating. (You know, she touched the paper; so it's almost like she whacked me off.)

Several months of scoping out her small, ivy-covered house followed. Judging by her late-model car and plush surroundings, Colleen was one rich bitch. Or the procession of sugar daddies she brought home kept her nice and comfy. The better to enjoy her comfy snatch during marathon fuck sessions, which inevitably followed each date. My vantage point from a shrubbery-hidden window had me peeping and pulling pud on a nightly basis.

During a one-handed standing ovation in December, Colleen and I made eye contact. Some gray-haired mook was doing her on all fours. The old bastard worked up a glistening sweat. His carrot-topped fuck buddy appeared downright

bored. Her rich, green eyes wandered around the room even as her ample, nude flesh jiggled with every thrust. She pinched her nipples—more to stay awake than to bust a nut. When she glanced out the window, a wave of shock brought her features to life.

*Busted*, I silently pondered, hurrying to zip up before Colleen sent the prick in her tailpipe outside with a baseball bat. To my delight, she didn't stop fucking; in fact, she gyrated her bubble butt with a newfound passion, hotly staring me down the entire time. I pulled my wang back out and pumped my fist. When I came, so did Colleen—loudly. You should have seen the shit-eating grin on the geriatric stud muffin's face. Little did he know I had lit the pilot light in her poontang!

Although I still wank myself sick over our voyeuristic ménage à trois, the incident freaked me out. I stayed away from Colleen's window for a few weeks. On New Year's Eve, I went to a party, became rip-roaring drunk and struck out with the black chick I'd been working for hours. I decided to pay Colleen a visit at 1:30 a.m. I knew she probably wouldn't be home, but I made a New Year's resolution to break into the house and steal her panties.

Sneaking through a kitchen window

was no problem. I rifled through her cabinets and found more booze. Midway through a bottle of Wild Turkey, the sounds of sex pricked my ear. She was home! My first instinct was to run like hell, but I had come too far to turn back.

Like a nookie-obsessed ninja, I tiptoed toward the squishing and screaming, which seemed to emanate from the living room. An unearthly glow bathed the dark room. A carefully furtive peek around the corner revealed Colleen, all by her lonesome...sitting on the couch and diddling herself to a porn tape. I nearly shit a brick! Should I reveal myself and risk arrest—or risk passing up the best piece of ass I've ever seen in my life? Careful deliberation convinced me to do what any HUSTLER reader would do: enter the room with my johnson in my hand.

At first, Colleen didn't hear my entrance; the enthralled screech of a double-penetrated, onscreen skank drowned out my stroking approach. Colleen finally looked up and watched me gland handling as if the situation were rather commonplace. For a nympho like her, it undoubtedly was.

She vamped, "What took you so long?" Boldly, she stood and removed her constrictive T-shirt; white melons bounced free and swung as she lunged for me. Colleen's tongue parted my lips, then slid down my neck. My own top was removed, and my nipples were greeted with love bites.

I placed a hand in Colleen's mop of red locks and forced her down to my groin. Aggressively, she gulped my wang; the pronounced suction almost hurt. Her head bobbed quickly, punctuating the air with noisy gurgles from the back of her warm, wet throat.

Although I could have enjoyed her over-the-top fellatio techniques all night, I had waited too long for a simple hummer. I shoved Colleen roughly. She fell backward and audibly lost her breath. Before she could recover, I landed on top of her and jammed root into her wet clam. Another wheeze escaped Colleen's windpipe; her eyes were bulging as I pounded at her sopping, tender interior.

"Hfff urrr," gasped Colleen incoherently. She desperately struggled to convey something, but my pelvic thrusts knocked the air out of her each time. I grabbed the back of her head and forced our faces together.

"What the fuck did you say?"

She cried, "Hit me! Slap my face while you stuff my cunt!" That's a bit rougher

"Remember this, boy. Men are from Mars, women are from Venus. We want the pussy, and they want the penis."

"Fucking horse-cocked frog. Gonna make my slimy hole come all over your filthy cock. *Ohh, I want frog cock in my mouth and cunt and anus...unnngh!*"

than even I tend to play, but I never deny a lady's request. Holding her down by pressing on one shoulder, I brought the palm of my right hand down across Colleen's cheek. For a moment, her face disappeared in her hair; she surfaced to cry. "Harder!"

I smacked Colleen again and again, ravaging her gash after every blow. Her face was bright and hot. My balls threatened to erupt; in an effort to steady myself while leveling another slap, I popped out of her beaver and lanced her rectum.

"*Eee-yuhh-urrrgh,*" Colleen exploded, thrashing as she came against two of her frigging fingers. The climax loosened her browneye; I sank pink in her bowels and gushed a bucket of sticky spew. Although I wanted to stay inside for a few more semen-slickened strokes, Colleen pushed me away and curled into a ball, her rump dribbling my mess. I threw my clothes on and left as quietly as I entered.

Colleen and I haven't done the deed since the first of January. Somehow, I like secretly watching her outside her window even better than the real thing. But, hey, it's the beginning of a new year; who knows when I might kick down her door, crack one across her face and fuck her?

## GO FUCK A FROG

I don't think I've ever sunk as low as my new job. I wear a stupid frog costume and stand outside a pizza joint in 90° weather. The sign around my neck reads, "Hop on in, and try our new deep-dish!" I'd rather hop off a bridge. Thank God Kay stopped by to brighten my day.

She's a hair stylist at the Cuts for Less building next door. I recognized her instantly because I went in for a haircut once and saw down her shirt. Kay doesn't sport the biggest pair of jugs in the world, but the nipples are pierced. That drives me crazy. I just want to hook a chain between those titty rings and drag her around my room on all fours.

"Hey, Froggy," purred Kay, stopping by with a cool glass of lemonade. "You must be burning up." I sure was, but the heat had nothing to do with it. Through my Froggy eye holes, I ogled Kay's high-riding cut-offs. Two perfect ass curves burst from the back; the crotch was drawn taut into a tantalizing V shape. Her sandy-brown hair was pulled into a long ponytail—just right for yanking her head back as she received my ten-inch surprise in her backside. Jesus, I was making myself horny! The

Froggy costume was pretty roomy; maybe I could jerk off inside the suit without her noticing....

"Umm, I don't mean to be rude," said Kay after I lapsed into an uncomfortable, onanistic silence. "But are you touching yourself in there? Oh, my God!" Kay may have been acting shocked, but any tramp who runs around with nipple rings is obviously hornier than hell. A little Froggy penis shouldn't upset her too much. I pushed my pride through the opening between my costume's top and bottom halves.

Of course, I was right about Kay's need for the hard stuff. She took one look and led me to the parking structure behind our mini-mall. I started to remove my oversized, green head so I could try a taste of her tempting slit.

Kay barked, "No! Leave it on. I don't want to know who you are." Fine with me if she gets off coupling with cartoon characters! I turned her around and, with my big, clumsy, four-fingered gloves, tugged her shorts to the ground. A nicely tanned bum emerged. In fact, I've never seen such an impressive can on a white girl. I did my best to aim shank for her wet spot with my goofy gloves.

The penetration took a few attempts; with Kay's help, I finally had her

hindquarters bopping against my green groin. I lived out my fantasy of tugging her long rope of hair, although I hadn't factored a frog suit into the fucking equation. If my gonads weren't swelling with pressurized man milk, I might have felt pretty stupid.

Kay held herself up with one hand and used the other to play with the shiny teat adornments. What a whore! She was cursing a blue streak under her breath, certainly frightened of letting her employers know how she spent lunch breaks.

"Fucking horse-cocked frog," she spat, pistoning more assuredly. "Gonna make my slimy hole come all over your filthy cock. *Ohh, I want frog cock in my mouth and cunt and anus...unnngh!*" When Kay's grand finale hit, I couldn't hold out any longer. I pulled out and did my best to palm my dripping member with those stupid gloves. Through some miracle, I managed to shoot a straight, pearly arrow right up Kay's back.

Our midday tryst sure lightened up the job. Now I know I can choke my chicken inside the suit!

## Plugging the Pooper

### THE FEMALE ASS AS A HOLE

BY DONNA POWELL • ILLUSTRATION BY THE PIZZ

Dirk Lantz was having the best sex of his life. His girlfriend, Honey, a 25-year-old dancer with long, tan legs and pert tits, was an insatiable slut who loved to strap onto Dirk's bone every way imaginable. They had sex in public and dabbled in S&M, but what Dirk really wanted was to wedge his cock into Honey's hot, round ass.

Honey had never taken a rod up the ass before, and Dirk wasn't sure how to bring up the anal issue. From time to time he would casually muse, "I wonder what it would be like to have my banana buried in your backyard, babe." Honey acted as though she didn't know what he was talking about.

One hot summer night, Dirk slipped his cock out of Honey's pussy and rubbed the swollen head against her rectum. She shifted and said, "Wrong hole." He vowed that he would de-virginize her colon.

The next night, after he'd eaten Honey's snatch, and she'd fired off three or four orgasms, Dirk decided to be up front about his burning desires. As his sphincter-clenching girlfriend knelt and gave him one of her expert blowjobs, Dirk spat a thick gob of saliva into his hand and reached below her dripping-wet snatch to her asshole. He eased a finger up to the knuckle in her browneye and said, "I want to fuck you in the ass."

Honey popped his pulsating cock out of her mouth, smiled sexily and said, "All you have to do is ask, sweetie." She turned around on the bed and squirmed onto all fours. Offering him her perfect ass, she said, "There's some lube next to the penis pump." Dirk slathered lube onto her tush and gently probed her turd breach.

"I think I'm ready," Honey said breathlessly. Dirk dipped his dick halfway in, and goose bumps stood up on Honey's thighs. He eased into her up to the hilt, and she slowly bucked up and down on his pole. He was in heaven, shooting a huge wad

of cum deep into his ass-plundered bitch's colon.

Honey collapsed on the bed, basking in the afterglow of her own orgasm. "We'll be doing this more often," she said, her face buried in the pillows.

The female ass is a thing of beauty and joy to bang—millions of men find lady sphincters an exciting alternative to the beaten path that leads only to pussy. Women who wrinkle their noses at the mention of asshole exploration often smile the widest when they finally feel the deep pleasure of posterior play.

Butt-fucking has a long and horny history. According to anthropologists, prehistoric man did not discriminate between his cave mate's primitive pussy and her brown snapper. Ancient Greeks, aside from their lesser achievements in government,

the arts and philosophy, were the first to institutionalize butt-fucking, which was thought to be a particularly effective way for teachers to impart wisdom to their young pupils. Theologians in ancient Persia encouraged husbands and wives to plow the poop chute in order to control population growth. Thousands of years later, the Greek way continues to stretch millions of tight anal orifices into capital O's.

Teaching a woman to turn her Hershey Highway into a well-traveled back road is fun and easy if you treat her tush with tender loving care.

Butt banging can be beautiful or brutal, pleasurable or a piercing pain in the ass, depending on the technique, knowledge and, above all, patience of the guy who's doing the penetrating. "Ramming it right

# Sex Play

A woman who refuses to try backside insertion can be gradually conditioned by being touched, licked or lightly probed in the anal neighborhood during foreplay.

into the hilt isn't macho, it's murderous," says Minneapolis-based sexologist Rodney Monroe, Ph.D. "It takes some time for the sphincters to relax sufficiently to accommodate a penis. Once a woman's rectally ready, she can often enjoy the deepest and fiercest thrusting."

To put a woman's butt rings at ease during initial ass insertion, ask what kind of thrusting feels best; some females prefer slow, deep strokes of the meat sword, and others love fast, shallow movements. "Always use a good lubricant, and take it slow and easy until her rectum becomes accustomed to your penis, which usually doesn't take longer than a few deeply inserted seconds," says Rita McNair, a proctologist based in Chicago. "It usually works well to slowly burrow the penis to its base and then to remain motionless for a moment; she'll let you know either verbally or by moving herself up and down on the penis when she's comfortable and ready for more."

A woman who refuses to try backside insertion can be gradually conditioned by being touched, licked or lightly probed in the anal neighborhood during foreplay. "The unfamiliarity scared me," says Brenda H., a computer programmer who has become an avid butt banger. Her husband, Ken, took four years to work up the nerve to fuck her in the ass. "I never knew what to say," says Ken. "'Hey, babe, your bottom's really broad 'n' beautiful; let's butt-fuck,' probably won't sweep you in there for the fun you want."

"The best thing for a man to do is explain to his partner that he loves her body everywhere and that he has heard that anal sex can be fantastic if it's done with loving care and patience," says Dr. Monroe.

"Not only does a woman's anus contain a ganglia of nerves that make it responsive to gentle erotic stimulation," says Monroe, "after a soapy shower, the outer anus actually can be more free of harmful bacteria than her mouth."

Many females are amazed to find they can have outstanding orgasms via the vigorous ins and outs of asshole action. In a 1979 Master's and Johnson study, 11 out of 14 women who received anal sex reached orgasm, including three instances of multiple orgasms.

The sensations of deep anal thrusting are transmitted through the partition between the anal tract and vagina to the clitoris. "Usually, it takes me longer to climax during anal sex," says author Rita

Wentworth, 42, "but when I do, it's as if my clit crawls down into my anal sphincter and thumps and pounds like a transplanted heart."

"Cornholing is a perfect connection during a woman's periods, and it's 100% contraceptive," raves Jessica W., a 34-year-old nurse in Seattle, Washington. "Opening my ass makes me feel like I'm giving myself totally to my lover."

Researchers affirm that females with a deep, oversize derriere have a greater quantity of sensitive nerves in their rearends than do their skimpier-assed sisters. "That comparatively dense mass of ass nerves in a fleshy female causes her to climax more powerfully and dependably during anal penetration," says Dr. McNair. "A large part of any woman's climactic pleasure is spread via the nerves in her ass."

For this reason, spanking and other kinds of playful punishment can transmit erotic pleasure. Smacks of a hand or a paddle send shock waves to the clit. A "pain in the ass" can cause pleasure in a pussy; it's that simple.

Judy M. describes the sensation she feels during anal sex as "a delicious itch that's being satisfyingly scratched. A flushing feeling of warmth and heat, like

a blush, fills my entire butt."

"Until I fucked my girlfriend in the ass," says Walter M. of Los Angeles, "it was all I could think about. Now that I've done it, it's all I want to do."

While backside sex is as safe as front-side fucking, shifting from rectal reaming to pussy penetration without thoroughly washing your pecker is not hygienic. Bacteria from the rectum and colon can easily be transferred and will cause vaginal infection. A rearend trip should only be taken after coating your mushroom pole with a lubricant that is water-based, which protects the urethra from infection and makes for painless penetration.

The Age of the Ass has arrived. Women around the world are working their butts off using videotapes such as *Better Buns* and *Buns of Steel*. This new focus on outstanding prats is provoking a desire in numberless males to poke into females' behinds. A woman's posterior is often preferred over her pussy.

Recent studies show that nearly 90% of all sexually active adults enjoy fudge packing from time to time. Anal sex is simply a great way to fuck; so to all you guys who are deeply into shitter romance—bottoms up! 🍌

THE THREE CHORDS OF  
BLACK METAL ROCK 'N' ROLL

REPORT BY MICHAEL MOYNIHAN

All is not well in Norway. A country known for its high standard of living and generous welfare state

# Metal

One Mayhem album cover features a gruesome photograph of a band member after he blew his brains out with a shotgun: The top of his head is gone, and his brain sits on the floor in front of his nose.

Hundreds of teenagers wearing black and bristling with spikes pack an auditorium in Oslo, Norway. Four ghoulish rockers, their faces painted like cadavers, are decked out in black hoods and ripped clothes. They wield their instruments like weapons. Breakneck drums propel savage guitar chords, and the bass emits an incessant throb of subfrequencies. Smoke pours from the stage. The lead singer, his face ghostly white, inhales from a bag holding the rotting remains of a dead cat. He pulls a long knife from a scabbard and slices into his arm. His piercing scream shrieks across the P.A., above the fiendish din. As blood streams onto the stage, a roar goes up from the crowd.

Welcome to the world of black metal, where music and murder, religion and rebellion all meet. Metal music has always flirted with occultism and violence, but as one black-metal musician said, "The old bands just sang about it—we did it!"

In 1998, two of Norway's most famous black-metal bands toured the United States to sell-out crowds. One group, Emperor, lost its original drummer to a 14-year murder sentence; its guitarist was released last year after serving time for his connection to a rash of church arsons.

The other band, Mayhem, has had as many deaths in the band during its 13-year existence as it has full-length studio albums. One Mayhem album cover features a gruesome photograph of a band member after he blew his brains out with a shotgun: The top of his head is gone, and his brain sits on the floor in front of his nose, as if he is sniffing it in death. Blood is spattered down his face and chest and stands in pools on the bed. He died wearing an I ♥ TRANSYLVANIA T-shirt.

"[Black metal] was satanic and very dark and very evil," says Ihsahn, lead singer for Emperor. "Many people did not laugh; they were serious all the time. Nothing should be good. Everybody was very grim-looking."

Black-metal slogans arose, such as, "We are not Nazis—Hitler only wanted to kill the Jews; we want everyone to suffer," and, "We are not racists; we hate everyone."

Varg Vikernes, of the Norwegian band Burzum, is black metal's most notorious musician. He has been implicated in church burnings and is now serving a 21-year jail sentence for murder. On top of this, he strives to be as miserable as possible. "It's much too nice here," he complains from his prison cell. "It's not hell at

all. In this country, prisoners get a bed, toilet and shower. It's completely ridiculous. I asked the police to throw me in a real dungeon."

In some ways, black metal is an extreme spin-off of death metal, a fast-paced and violence-obsessed genre. Earlier bands, such as England's Venom, played themselves up as satanists, which assured them notoriety and record sales. While the fanciful violence and blood lust of death metal was in large part playacting, black-metal pioneers were determined to actualize the fantasies, with deadly consequences.

The leaders of the Norwegian scene realized that in order to grab the minds and souls of their followers, they needed to willfully take evil one step further; in so doing, they launched a genre so pure and unsparingly severe that it would sear a mark in Norwegian history books forever.

"I like nothing better than spreading hatred from the stage. We want to incite the audience to go out and do our dirty work for us."

—Fenris, drummer for Darkthrone

It is hard to explain why Norway, a country on the outskirts of Europe with less than 4.5 million people, became the epicenter of black metal.

"Some of the black-metal people themselves seem to feel it's the fact that we have dark woods and long winters with virtually no light," says Martin Alvsvåg, who has studied black metal in depth. "This might make people attracted to darkness."

"Norway, being a very wealthy country with a high standard of living, makes young kids very blasé," he adds. "It's not enough to play pinball anymore. They're looking for something more in life than what they have already and might feel that it's better to identify with evil than not to identify with anything at all."

A taboo against violence and terror permeates the Norwegian media. Horror films from abroad are heavily censored, if not banned outright, and Norway's otherwise prolific movie industry has produced only one horror film in its 70-year history. In one case, Norwegian National Broadcasting stopped the transmission of a popular children's TV series because a particular episode featured a gun. The resulting void due to the censorship of violence and the macabre may have contributed to black metal's overweening thirst for blood.

"That's one thing about worshipping

"Dead killed himself because he lived only for the true old black-metal scene and lifestyle. It means black clothes, spikes, crosses and so on. Dead died for this cause, and now I have declared war!"

death—why worry when people die?"

—Øystein Aarseth, or Euronymous, considered the grandfather of black metal in Norway.

Mayhem, Norway's first black-metal band, began in 1984, inspired by the likes of Venom from England. Guitarist Øystein Aarseth initially adopted Destructor for his stage name. Wearing black-leather coat and jackboots, with long hair and a demonic goatee, he defined the black-metal look. Rounding out Mayhem were bassist Necro Butcher, drummer Manheim and lead vocalist Messiah. Later, Aarseth adopted the more exotic stage name Euronymous, which he told people was Greek for "the prince of death." Mayhem band members dabbled in satanism, sprinkling their signatures with upside-down crosses. For the most part, they were obsessed with death, violence and having "a fuckin' good time."

Mayhem's debut demo tape, *Pure Fucking Armageddon*, appeared in 1986 in a limited edition of 100 numbered copies. In 1987 the band released a mini-LP, called *Deathcrush*, on their own label. Mayhem was considered the most extreme band existing in an otherwise quiet, conservative land, and the vinyl sold out quickly.

Shortly thereafter, Per Yngve Ohlin, alias Dead, former singer for the horror-themed, Swedish death-metal band Morbid, moved to Oslo to join Mayhem. Dead was a tall Swede with long, blond hair and a gloomy, melancholic disposition that one band member described as being "very special." Dead once wrote to a friend, "Something I study is how people react when my blood is streaming everywhere."

During one performance, Mayhem impaled severed pigs' heads on stakes. Dead, who was fond of opening gashes on his chest and arms, crushed a bottle and cut himself badly. "I remember after the gig, he was very sick and in pain because he lost a lot of blood," says Bård "Faust" Eithun, former drummer for Emperor and publisher of the fanzine *Orcustus*.

Dead talked about being nonhuman, a creature from another world, and about wanting to die from the time he was only two or three years old. By April 1991, only three years after joining the band, Dead was literally dead.

Jan Axel "Hellhammer" Blomberg, a stocky youth with long, curly hair who replaced Manheim on drums, reminisced about his death.

"Me and Euro and Dead were living in

an old house outside of Oslo, where we rehearsed, but I was at my parents' house in Oslo when it happened. I was planning to go back, but Euronymous called me and said, 'You can't go back because the police have closed the house.'

"Why?" I said.

"Because Dead has gone home."

"He went back to Sweden?" I asked.

"No, he blew his brains out."

"Euronymous found him. We only had one key to the door, and it was locked, and he had to go in the window. The only window that was open was in Dead's room; so he climbed in there and found him with half of his head blown away. So he went out and drove to the nearest store to buy a camera to take some pictures of him, and then he called the police. They were in color, real sharp photos. Dead was sitting half up, with the shotgun on his knee. His brain had fallen out and was lying on the bed. Euronymous was taking pictures from above, with details of the skull."

According to Blomberg, Euronymous collected pieces of the skull, which later became talismanic jewelry for his close friends.

"We also found some of the brain, and Euronymous took it, cooked it in a stew and ate it so he could claim himself to be a cannibal." There was even a fleeting idea to retain other parts of Dead before the police arrived. "[Euronymous] thought of sawing his arm off and putting it under a glass display case, but he figured it wouldn't be very smart because the police would probably ask where his arm was."

"Dead killed himself because he lived only for the true old black-metal scene and lifestyle," Euronymous told an interviewer in 1991, two weeks after Dead's suicide. "It means black clothes, spikes, crosses and so on. Dead died for this cause, and now I have declared war! I'm angry, but at the same time I have to admit that it was interesting to examine a human brain in rigor mortis. Death to false black metal or death metal! Also to the trendy hard-core people...*aarrgghh!*"

Aarseth appeared to feel little sorrow over the loss of Dead. Instead, he glorified Dead's violent departure to further the mystique of catastrophe that surrounded the band.

*For this Eternal Winter/A new god ruled the sky/The million hands of joy/Have something holy to burn.*

—Darkthrone song, "The Pagan Winter"

Euronymous slowly took control of the extreme underground in Norway. He

"Y'all kin spend the night if'n ya share Lulu's room!"

*"I started drinking as a way to wash the taste of sperm out of my mouth..."*

There have since been 45 to 60 church fires, near-fires and attempted arson attacks in Norway. Roughly a third of the conflagrations have a documented connection to the black-metal scene.

rented a space in Oslo for a record shop, which he christened Helvete, Norwegian for *hell*. He realized that he would have to sell music less extreme than what he preferred to pay the bills.

"All the children are listening to death metal now," he said. "This will help us earning money so that we can order more evil records for the evil people. But no matter how much shitty music we have to sell, we'll make a black-metal look for the shop. We've also thought about having total darkness inside, so that people would have to carry torches to be able to see the records."

The walls were painted black with the Helvete logo on the door in blood red. With Euronymous's prominent position in the new black-metal scene, the store gathered energy as a focal point, even if it wasn't generating much wealth. More and more Norwegian bands were playing black metal.

"People came there with corpse paint on, which in some cases was quite stupid, as it was daytime, and people were out shopping," says Ihsahn, lead singer of Emperor. "People wanted to be accepted, and they were kind of humble before Euronymous and the older guys from the scene."

"The whole Norwegian scene is based

on Euronymous and his testimony from this shop," says Jon "Metalion" Kristiansen, publisher of the Norwegian black-metal magazine *Slayer*. "He was always telling what he thought, following his own instincts to the true black-metal stuff like corpse paint and spikes, worshipping death and being extreme. That's what he was telling everyone about."

A late arrival to the black-metal scene was Varg Vikernes, alias Count Grishnackh, with his band Burzum. Varg was quite a few years younger than Euronymous, but he was intelligent and enthusiastic, with a genuine sparkle in his eyes, and the two became friends.

With its wailing, painfully hoarse, high-pitched vocals, Burzum sounded distinct from any other band in the fledgling scene. One of its album covers depicted Norway during the bubonic plague, with corpses littering the ground. Euronymous was immensely excited about the sound and presentation of Burzum; the band fit into his scheme to release only "truly evil" music.

By mid-1991, the groups Darkthrone, Burzum, Immortal, Thorns, Enslaved, Arcturus and later Emperor were all in contact with Euronymous, who had plans to release most of them via his record label. The inner core of friends and casual

acquaintances who made up these bands would later be termed the Norwegian Black Circle by Euronymous when he spoke to the press about the church burnings destined to start before the year's end.

Someone within the black-metal scene decided to torch the medieval Fantoft stave church in Bergen. The wooden construction of the traditional stave churches has always made them vulnerable to destruction, and the obscured location of Fantoft made the work of an arsonist even easier. In the early morning hours of June 6, 1992, the ominous-looking church, with dark, reptilian shingles and stylized dragon heads jutting out from the points of its roof and tower, was fatally torched. Vikernes is strongly suspected as the culprit. No one has ever been convicted for the crime.

There have since been 45 to 60 church fires, near-fires and attempted arson attacks in Norway. In battling a fire at Sarpsborg Church, a member of the fire department was killed. Roughly a third of the conflagrations have a documented connection to the black-metal scene.

Vikernes, who plaits his long, blond hair into twin braids, considers himself a modern-day Viking. He explains the church arsons as part of a plan to rekindle the worship of the old heathen high god Odin among the Norwegian people. Authorities are reluctant to discuss details of these incidents for fear of sparking copycat firebugs.

*"He died from one stab wound to the head...through the skull. I actually had to knock the knife out."*

—Varg Vikernes, after killing his friend Euronymous

There were several murders attributed to the Black Circle of the Norwegian black-metal scene. The most famous was that for which Varg Vikernes was tried and convicted.

On August 10, 1993, Øystein Aarseth was found slaughtered in the stairwell of his apartment building. The death of Euronymous shook the black-metal scene to its core.

In the days following the late-night murder in Oslo, police launched an investigation into Euronymous's death, interviewing numerous personalities in the black-metal scene that he had almost single-handedly founded. After only a few days of investigative work, the police had enough evidence and testimony to move against Varg Vikernes in Bergen.

Vikernes claimed self-defense, arguing that he'd made a preemptive strike

"There ain't no women for 300 miles," the barkeep replied. "But we do just fine with the sheep flock."

"You mean to tell me the men here fuck sheep?" Hank cried. "That's disgusting!"

The bartender shrugged. "Suit yourself, stranger."

After six months of rural life, Hank's thoughts strayed to the white flocks that dotted the fields. Finally, one night, Hank selected a cute sheep, led her back to his room and made passionate love to her. Afterward, Hank took the ewe to the bar for a drink.

A stony silence greeted Hank as he walked into the saloon leading his four-legged date. Icy stares followed the couple as they sat at the bar.

"You hypocrites!" Hank exploded. "You all fuck sheep; yet you look at me like I'm a monster!"

"That's right, Susie," Miss Smith said. "You may go home. What famous leader uttered the words 'I have a dream?'"

Johnny raised his hand, but Miss Smith called on Mary. "Martin Luther King!" the young girl chirped.

"Excellent, Mary," the teacher beamed. "You may go."

Little Johnny muttered, "I wish these bitches would shut the fuck up!"

"Who said that?" Miss Smith demanded.

## XXX Vietnam Wacko—Ray Pistol

He claims to have greased more than his share of enemy slopes as a Marine squad

leader in Vietnam, but his aim as producer has been less than steady. Pistol bought Arrow Pictures in late 1996 and promised to restore the company that brought us *Deep Throat* to its former glory. His efforts have misfired, but Pistol has deep pockets and vows never to give up. Lock and load!

## XXX Mr. Fancypants—Michael Ninn

Michael Ninn is a house director at VCA, but he might do better to offer his talents to NASA. Ninn, a big fan of technology, is bringing dirty movies into the brave new world of computerized razzle-dazzle through works such as *Latex*, *Sex and Shock*.

## XXX Corn-Belt Porn—

### Mel Kamen and Harvey Horowitz

This pair runs GVA Ohio, the largest wholesale distributor of adult tapes in the United States. Kamen and Horowitz may not be famous, but they're very well-known in Porn Valley, and in the jizz business, internal recognition is all that matters.

## XXX Mail-Order King—

### Mark Carriere

Carriere's Leisure Time Entertainment has brought porn to the masses in ads promising "200 sex scenes for a dime." More importantly, Carriere's the man who gave America what it really wanted to see: John Wayne Bobbitt and his surgically reattached dingaling.

## XXX International Smut Merchant—

### Berth Milton

Milton's the man behind Private Video, one of the biggest corporations in Sweden and the largest porn enterprise in the world. What's his secret? Well, it might be the endless parade of pretty newcomers thoroughly butt-fucked and doing disgusting shit in the great outdoors.

## XXX Distributor—Frank Koretsky

Frank runs International Video Distributors. Without distribution, Joe Q. Sixpack doesn't have anywhere to buy his porn. Koretsky also manufactures novelties, which, for our Baptist readers, means dildos, vibrators and butt plugs.

## XXX Jack-Off Critic—Evan Wright

HUSTLER's blue-screen reviews are the most widely read, respected and feared on the planet. Entertainment Editor Wright trudges through piles of XXX shit every month to pluck the precious few kernels of corn worthy of HUSTLER readers. Everyone wants his Fully Erect.

## XXX Ambassador—David Kravis

Kravis owns Coastline Films, which represents American porn in Europe.

# Patti

COUCH

PHOTOGRAPHY BY CLIVE MEEHAN

"My boyfriend, Todd, warned me that he'd tie me up unless I stopped fucking around," pouts voluptuous strumpet Patti. "Can I help it if I'm totally cute? I tried to explain to Todd that I just asked his father to join me in an innocent bubble bath. I didn't expect the dirty old creep to attack me." Patti's bound wrists strain against a tight sailor's knot. "Why am I the whore of Babylon just because Father Fitzpatrick has a weakness for hotpants?" The misunderstood nympho tugs at the ropes. "If Mr. Titus from next door hadn't been spying on me through the window, I'd probably have lain here all day. I hope I have time to thank him before Todd comes home."

Mr. Butts is attempting to foist Alisha Klass upon an unsuspecting world as an anal Second Coming. The ruse might work if Seymore can figure out how to work a camera.

Unfortunately, in the interest of higher profits, Kravis has saturated the porn market with mediocre entertainment, at the expense of strobability. Still, people will jerk off to just about anything; so Coastline can't lose.

### XXX General Store—Phil Harvey

Harvey owns Adam & Eve, the biggest adult-mail-order company in the country. If a customer wants virtually any brand of smut discretely delivered into his sweaty palms via the U.S. Postal Service, Adam & Eve can do it, and probably already has.

### XXX Masters of Diversity—

#### Jack Richmond and Bruce Mendleson

The men behind Legend Video put out a range of fuck flicks. People who get off watching chicks get duct-taped, near-raped and butt-fucked love Bruce and Jack's *Perverted Stories* line. Who can resist sleazy bimbos taking on tribes of overendowed Africans in the *White Trash Whore* series?

### XXX Artiste—Gregory Dark

The only successful director of MTV videos and R-rated erotic thrillers who still wants to work in porn, Dark's skills as a filmmaker are far above the pack. Dark cranks out porn for the thinking man, the drinking man and the just plain psychotic. One porn critic called Dark's

movies perfect foreplay for a sex murder.

### XXX Sociopath—Max Hardcore

Max's movies are filled with rough sex and brutality. He stretches female co-stars' orifices past the owner's-manual recommendations. Any guy who's been rejected by some skag will appreciate Max's work.

### XXX Blues Buster—John Leslie

An influential director who rose through the talent ranks, John's name alone can sell tapes. The first in his *Fresh Meat* series is a fancy pastiche of film and video, à la *Natural Born Killers*. He also plays a mean blues harp.

### XXX Everyman—Ed Powers

Fans love Ed Powers because he's just like them, except a tad more pathetic—a doughy little guy with glasses and pasty skin. Powers raises rods with his *Dirty Debutantes* line. His persona as a lovable nerd belies the fact that he could buy and sell the basic porn viewer ten times over. Jack

### XXX Boutique—Paul Thomas

A house director for Vivid, Thomas is chastised for making soft porn for yuppie scum. The formula impoverishes viewers, but his big-time skills make him rich.

### XXX Meat Puppet—Rocco Siffredi

A director and a major international

porn star with a penis the size of a Genoa salami, Siffredi heads his own company in Italy that gives viewers nasty sex with a classy delivery. Our only complaint is that Rocco is becoming more femme with each film...maybe his androgyny misogyny is a Euro thing.

### XXX Publicist—Joy King

Much of Wicked Pictures' success is thanks to publicist Joy King. Fashionable strippers now boast, "I'm the next Wicked contract girl." Not too long ago, stuck-up sluts all wanted to be Vivid girls. Joy changed that.

### XXX Talent Agent—Jim South

If a cunt or stud wants to break into porn, Jim is the man to sign up with. Owner of World Modeling, he is probably the only man in Southern California who can wear python-skin boots and not come off looking like a fag.

### XXX Generation Gap—Matt Zane

Need a stereotype for the sensitive Gen-X man? Take Matt Zane, with his "I paint my nails black 'cause I'm hip" attitude. His directorial forays are something "the kids can relate to," and he still has no trouble shooting bookstore favorites such as the *Cherry Poppers* series.

### XXX Auteur—Seymore Butts

This guy's gig is slavishly imitative of John Stagliano's. Lack of originality doesn't mean Seymore makes bad product—Robin Trower copped a lot from Hendrix, but *Bridge of Sighs* was still a cool album. Now minus his marquee snatch Shane, Mr. Butts is attempting to foist Alisha Klass upon an unsuspecting world as an anal Second Coming. The ruse might work if Seymore can figure out how to work a camera.

### XXX Aging Star—Randy West

His *Up 'n' Cummers* line does well in a crowded market. Consumers want to watch this weather-beaten blondie sweat all over nubile trollops who are young enough to be the performing prick's granddaughter, possibly because he's got a great head of hair, and they don't.

### XXX Record Setter—Kenny Guarino

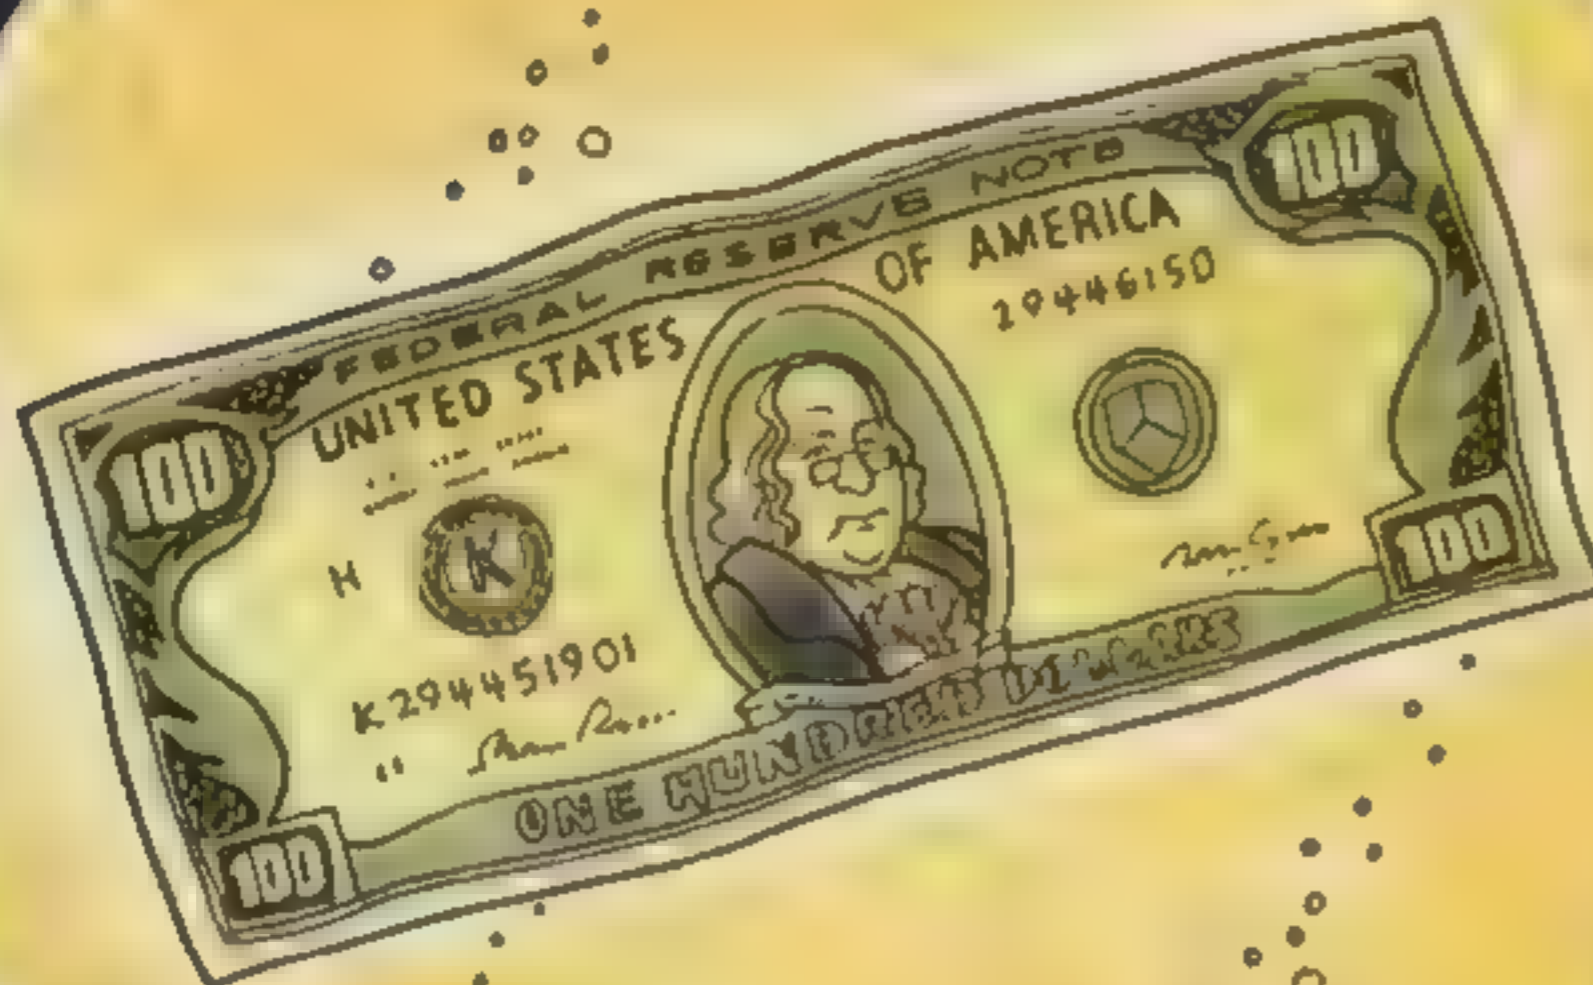

The man behind Metro Home Video, Cal Vista and Intropics, Guarino seems to have a fascination with milestones. Metro released Jasmin St. Claire's 300-schmoe gang-bang and plans to herd together 500 more lonely hard-ons to fuck the living shit out of surfer chick Houston in *Houston 500*.

### XXX Holdout—Marty Rothstein

President of Coast to Coast, Rothstein is one of a few holdouts on the East Coast who refuse to get with the program and join the rest of the porn tribe.

# XXX Files

(continued from page 102)

Silvera has taken an alarming detour of late into transvestite flicks. Hopefully, he's just doing it for the money. "I have no talent, but I make nasty movies," he says.

in the San Fernando Valley.

## XXX Novelties—Lenny Friedlander

The president/owner of New Beginnings, Friedlander distributes novelties and tapes to the bookstores. He is also former president of the Free Speech Coalition, which heroically fights to protect the interests of American pornography from the slings and arrows of the puritanical whores. *Hordes*, rather.

## XXX Inspiration—Stumpman

True perverts will love Stumpman's debut in Filmco's *Older and Anal 6*, in which he uses the stump of his missing left hand as an extra sex organ. No one-trick pony, Stumpman attaches a hook-like device when he wants to really tear off a piece of ass. He's not handicapped; he's *handicapable!*

## XXX Tease—Shane

Former girlfriend of Seymore Butts, she's now on her own with *Shane's World*. Once one of the nastiest skanks in the business, Shane no longer performs. While fans hope with each new release that Shane will come to her senses, she has required studs to use condoms in her videos. Due only to fanatical fan loyalty, Shane's product continues to sell.

## XXX Scary Lady—Bionca

Long associated with Evil Angel,

Bionca now runs her own company, Exquisite Pleasures. Since some of the company's releases are plagued with C-level skanks, Exquisite's proven and profitable appeal probably has to do with Bionca herself.

## XXX Blockbuster King—Steve Orenstein

President of Wicked Pictures. Steve Orenstein had the best contract girl in the business in Jenna Jameson until she started spending too much time at all-you-can-eat ribs joints and expanded from having no chin to what looks like three. Undeterred, Orenstein hopes he has found a replacement in dog-faced skank Serenity and continues to churn out epic, big-budget features that guarantee Wicked huge cable and foreign sales.

## XXX Box-Cover King—Jeff Lamm

If imitation is really the sincerest form of flattery, box-cover art director/photographer Jeff Lamm must be the most flattered man in the history of porn.

## XXX Mental Case—Joey Silvera

As one observer puts it, "He seems like he's autistic." Silvera, of the *Butt Row* series and the more established *Kink* line, has taken an alarming detour of late into transvestite flicks. Hopefully, he's just doing it for the money. "I have no talent, but I make nasty movies," he says. These

succinct words could be the motto for half the charlatans on this list.

## XXX Porn Historian—Sam Stetson

Sam is a reclusive Ph.D. with an extensive knowledge of the porn industry. Could 1999 be the year Stetson finally publishes a book exposing all the know-nothing frauds in the industry?

## XXX Limey Lover—Steve Perry

Better known as Ben Dover, this former shooter for Private would be just another John Stagliano clone, but he uses nasty European sluts that appeal to Yanks hungry for fresh faces. Perry is hounded by rumors that he was an original member of the Bay City Rollers.

## XXX Lucky Man—Jon Dough

What can you call the star of *The World's Luckiest Man* except tired? Dough appeared in the first HUSTLER Video, in which he fucked 100 women. Unlike so many of his woodsman contemporaries, Dough has never seemed even slightly gay.

## XXX Ringmaster—John T. Bone

John T. Bone is the whip-cracking captain in the center ring of the porn-freak circus. If a tape is sick, disgusting and has transsexuals or 50-mook gang-bangs, chances are, it's a John T. Bone video.

## XXX Gadfly—Bill Margold

In his self-described role as activist for the rights of porn performers, Margold paints himself the rebel's rebel, but he abhors drug use and all the other cool shit rebels usually kill themselves doing. Bill mans a XXX hotline for haggard porn talent in need of a hug. He's the square's square.

## XXX Ass Artist—Mila

Mila's wrecked, prolapsed asshole is her claim to fame, and where a cautious and prudent individual would seek immediate medical attention when her colon dropped outside of her body, Mila has promoted her condition as a masturbator's delight.

## XXX Journeyman—Jim Enright

Anytime a porn video appears on cable television, the chances are that if the footage wasn't shot by Paul Thomas, it was shot by Mr. Enright. Jim is prolific, but criticized for being tame and gushy. If we want soft-core, we can always read the Starr Report.

## XXX Grim Reaper—Marc Wallace

Diagnosis with HIV forced the veteran cock slinger into retirement. If the allegations that he knowingly infected several female performers with HIV are true, Wallace leaves behind a legacy of sick porn stars who will be dying prematurely in the years to come.

# Beaver Hunt

## Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 1999 *Beaver Hunt* Grand Prize Competition is looking for you! Snap a clear, color picture, and mail it to *HUSTLER Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets \$250 and a chance at the 1999 Grand Prize—a photo-lecture worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of *HUSTLER Magazine*.

Suvi is a 22-year-old student from Panama City, Florida, who surfs, paints and travels. Suvi hopes to one day "watch a group of guys jack off while they watch me jack off." The self-abusing voyeur plans to use the money she earns from her *Beaver Hunt* submission toward a boob job. Who says *HUSTLER* has no redeeming social value?

Photo by Boyfriend

Leah, a 20-year-old student from Phoenix, Arizona, may like to shop and talk on the phone, but she also nurtures deeper thoughts. Leah's greatest fantasy is "being held and made love to romantically." Some of you jaded studs could use a lesson in love from this tender filly.

Nicole of Pittsburgh, Pennsylvania, looks poised to lead a nude rebellion. The comely 22-year-old yearns for a career in dental hygiene and a passionate interlude with her boyfriend on the beach. Oh, to return to those reckless desires of youth!

Photo by Boyfriend

Mikasa Nouvelle isn't a term for a fancy new cuisine, but the name of an exotic dancer from Raleigh, North Carolina. Mikasa has cooked up some delicious fantasies in her 22 years on this planet, including being double penetrated while entertaining two businessmen in their office. Corporate sodomy can inject new life into dead-end jobs.

Photo by Boyfriend

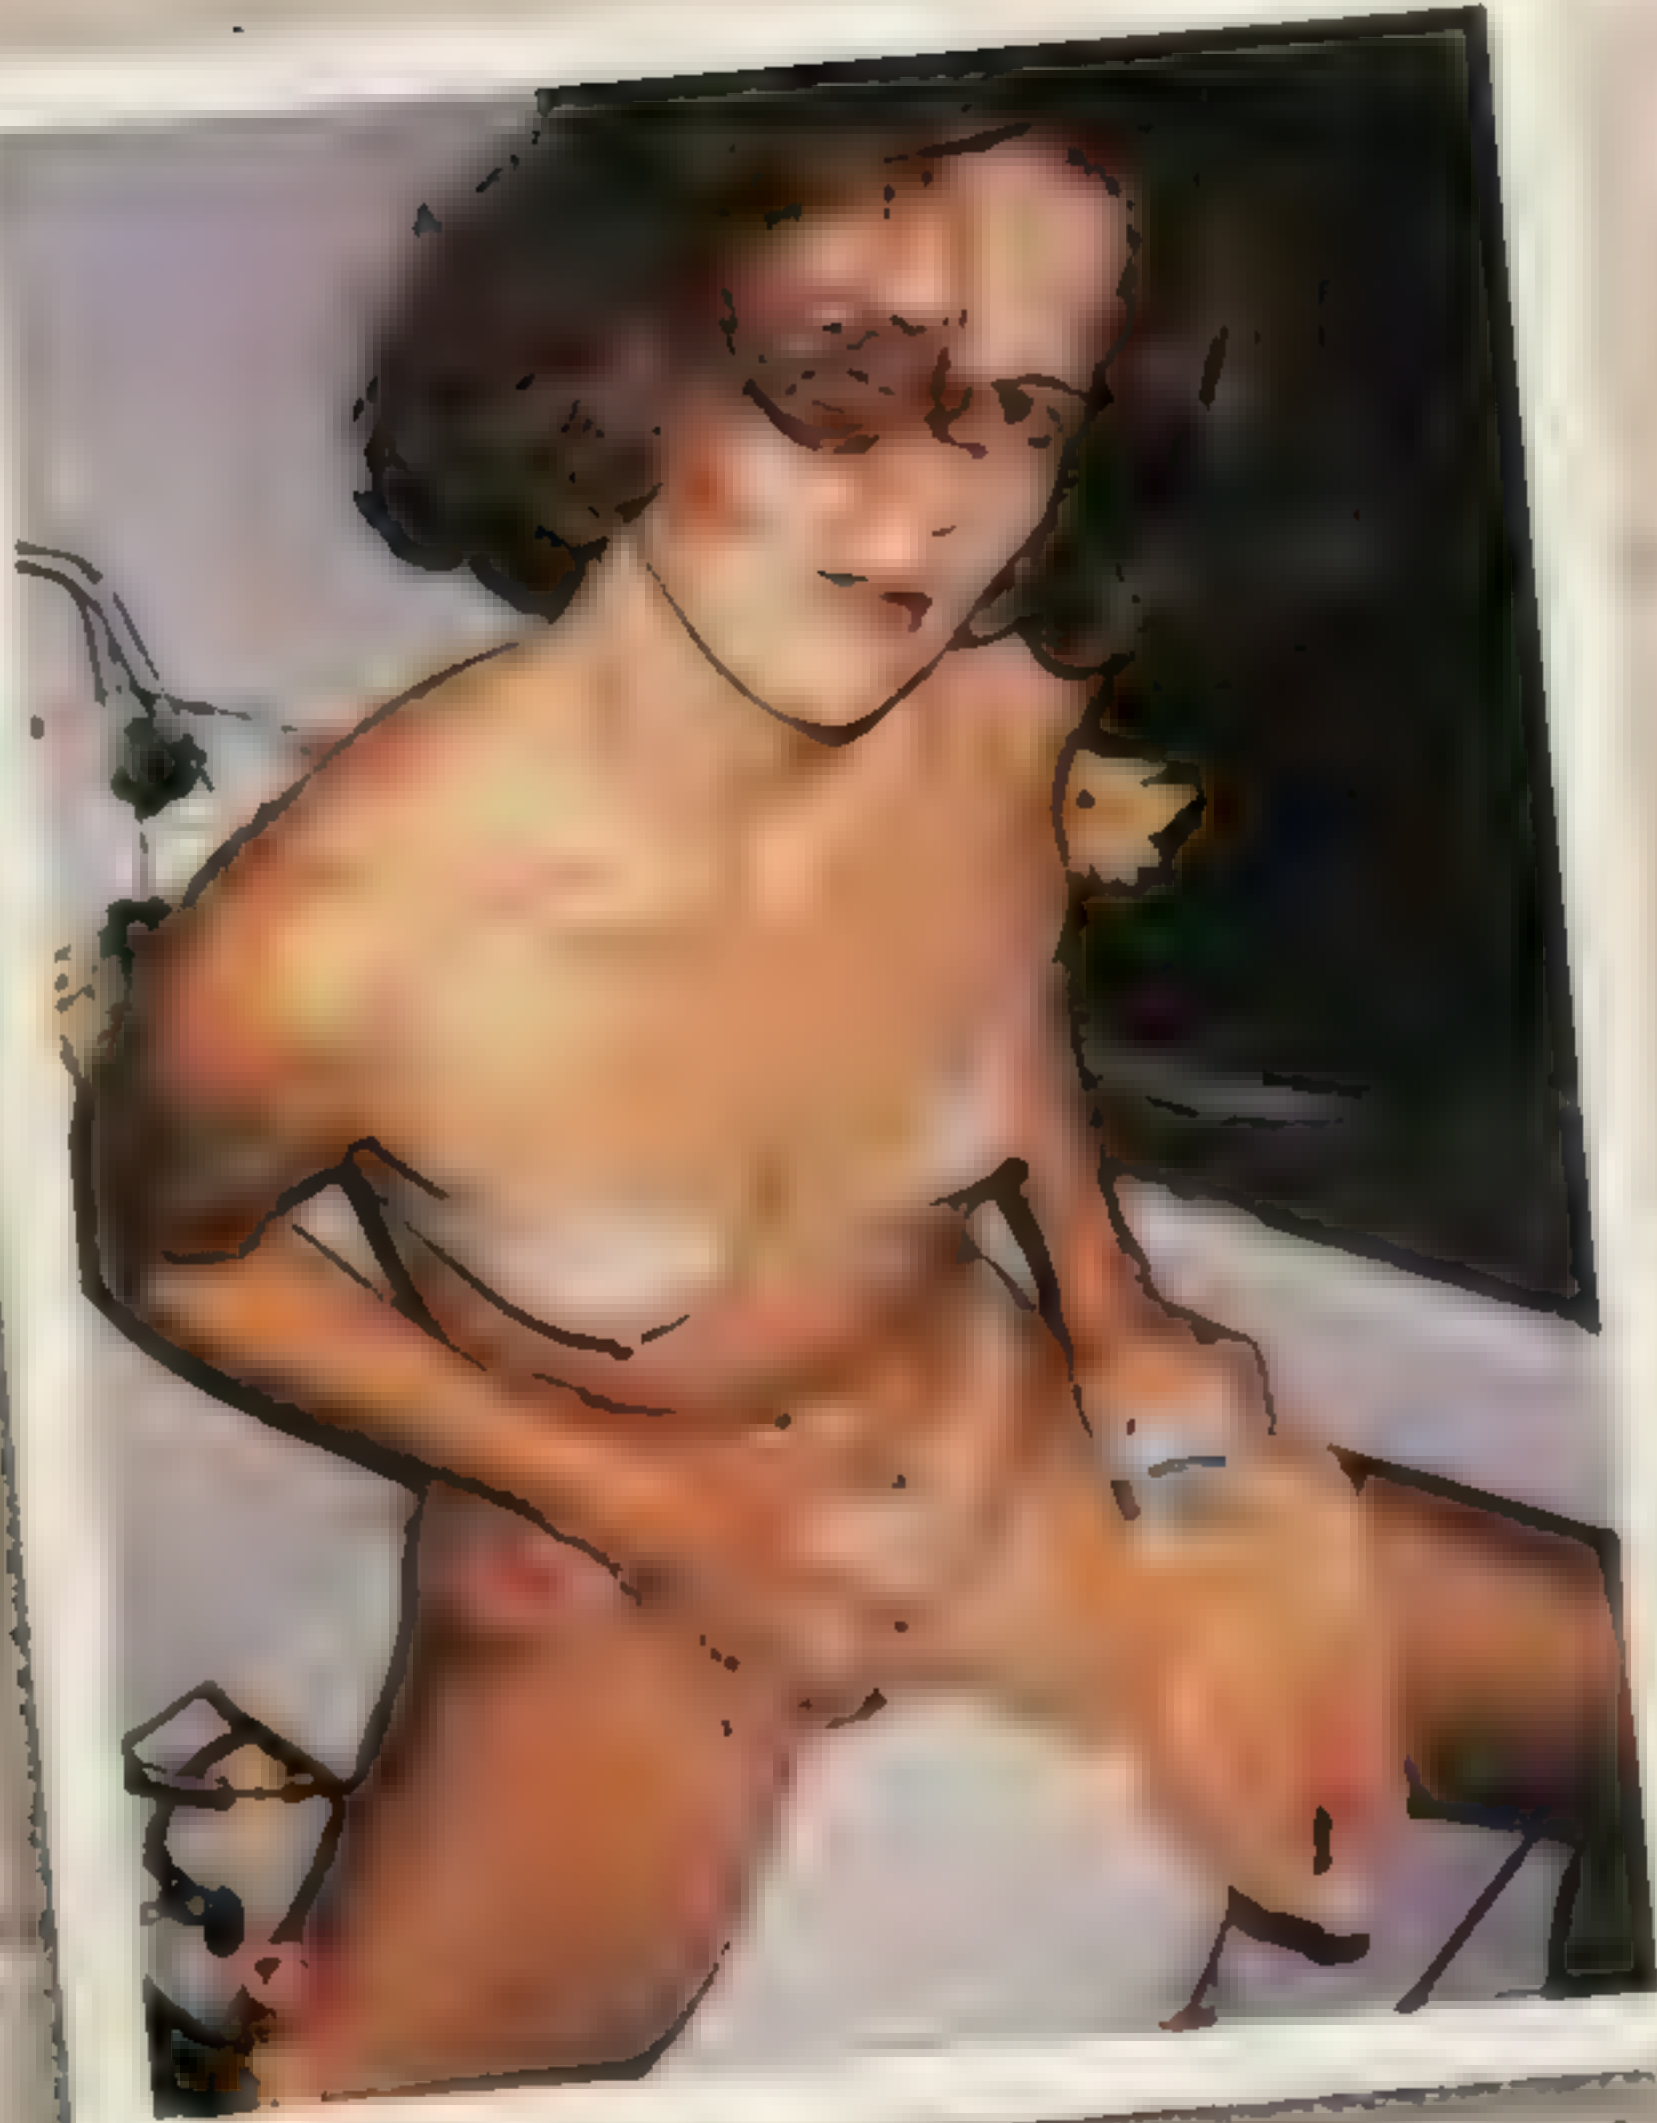

Currently a cosmetologist in Huntington, West Virginia, 26-year-old Star's real dream is "to become a porn star and fuck like an animal." West Virginia is an ideal location for a undressed rehearsal, Star.

Photo by Boyfriend

This statuesque, bronze beauty is Patty, a waitress from Marion, Ohio. Patty is into listening to rock music and exercising. The 33-year-old hard-body dreams of having sex with "two guys at one time." Why not go for the burn with Hall & Oates, Patty?

Photo by Husband

This hygiene-conscious slattern is 27-year-old Jay from Orlando, Florida. Jay is a recruiter who enjoys reading and confesses that she would "love to be gang-banged." Sounds like Jay is looking for a few good men.

Photo by Husband

Stephanie of Chesapeake, Virginia, is totally consumed with "shopping, cleaning and living." The selfless, 22-year-old dancer desires to use her anatomy to fulfill others' "most erotic fantasies." If more women followed this earnest Beaver's lead, our world would be a better place.

Photo by Husband

Fort Worth, Texas, is home to Honey, a 24-year-old entertainer who writes poetry and nurses a hearty hankering "to have sex in a room with padded walls and little pillows everywhere." Go for it, Honey. Mental hospitals so often lack that feminine touch.

Photo by Friend

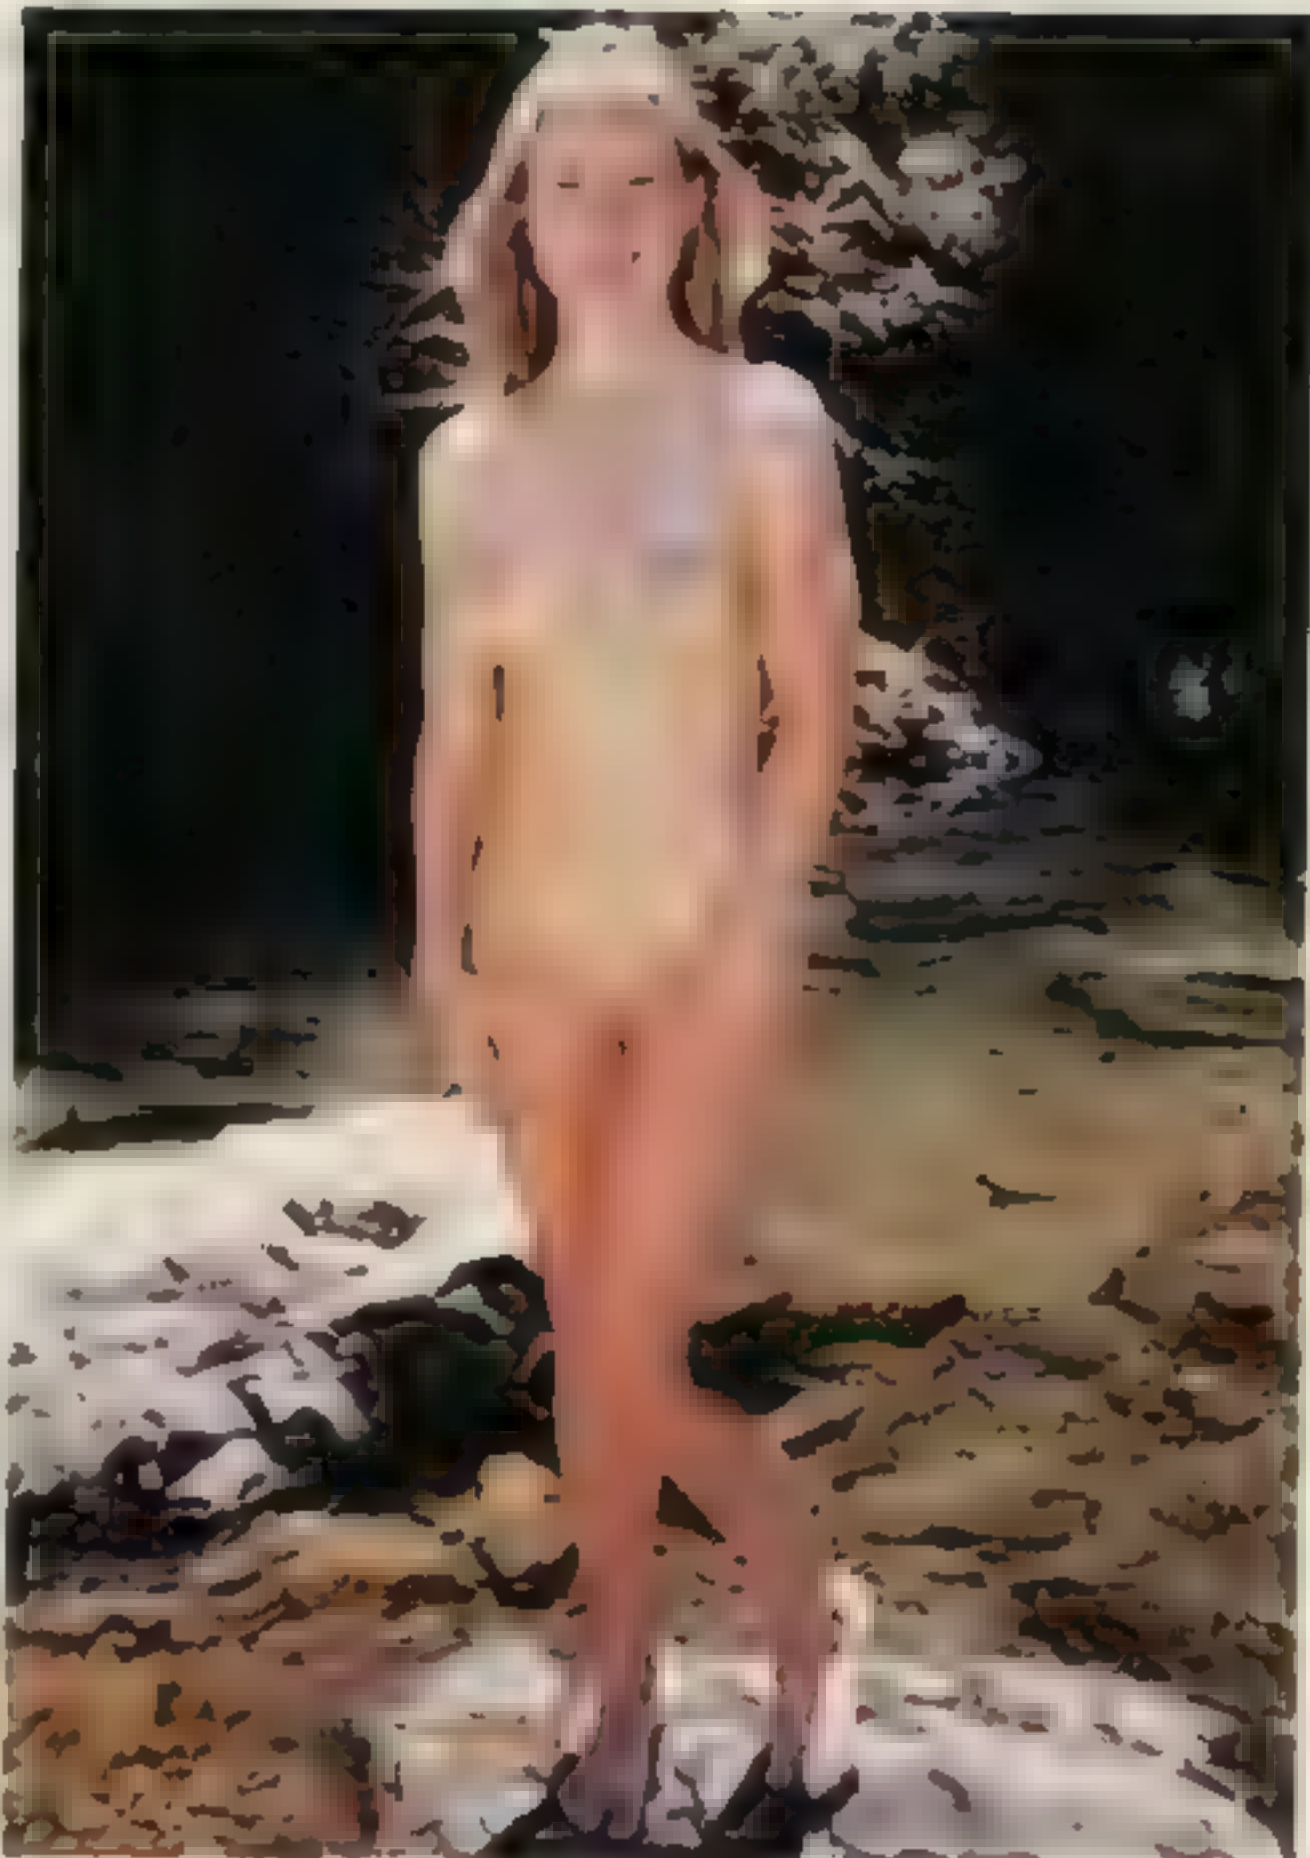

Tammy is a sun-worshipping housewife from Madison, Wisconsin. The 26-year-old lady fancies "getting it on with another woman" or participating in "an orgy with multiple men." Next to cheese, swingers are Wisconsin's biggest export.

Photo by Husband

Karen of Lexington, Kentucky, is a 22-year-old factory worker whose erotic alter egos include "evil snake woman," "hornet's nest" and "freak." This gothic hillbilly's romantic dream is to be "tortured in a dungeon." Why not try speaking in tongues while giving a blowjob, Karen?

Photo by Husband

**This sultry slip of a thing is Elisa from San Francisco, California. A 23-year-old dental assistant, Elisa would love "to eat a nice, bald pussy" in a threeway with her boyfriend and another girl. Nine out of ten dentists recommend clean-shaven crotch for their patients who eat poontang.**

*Photo by Boyfriend*

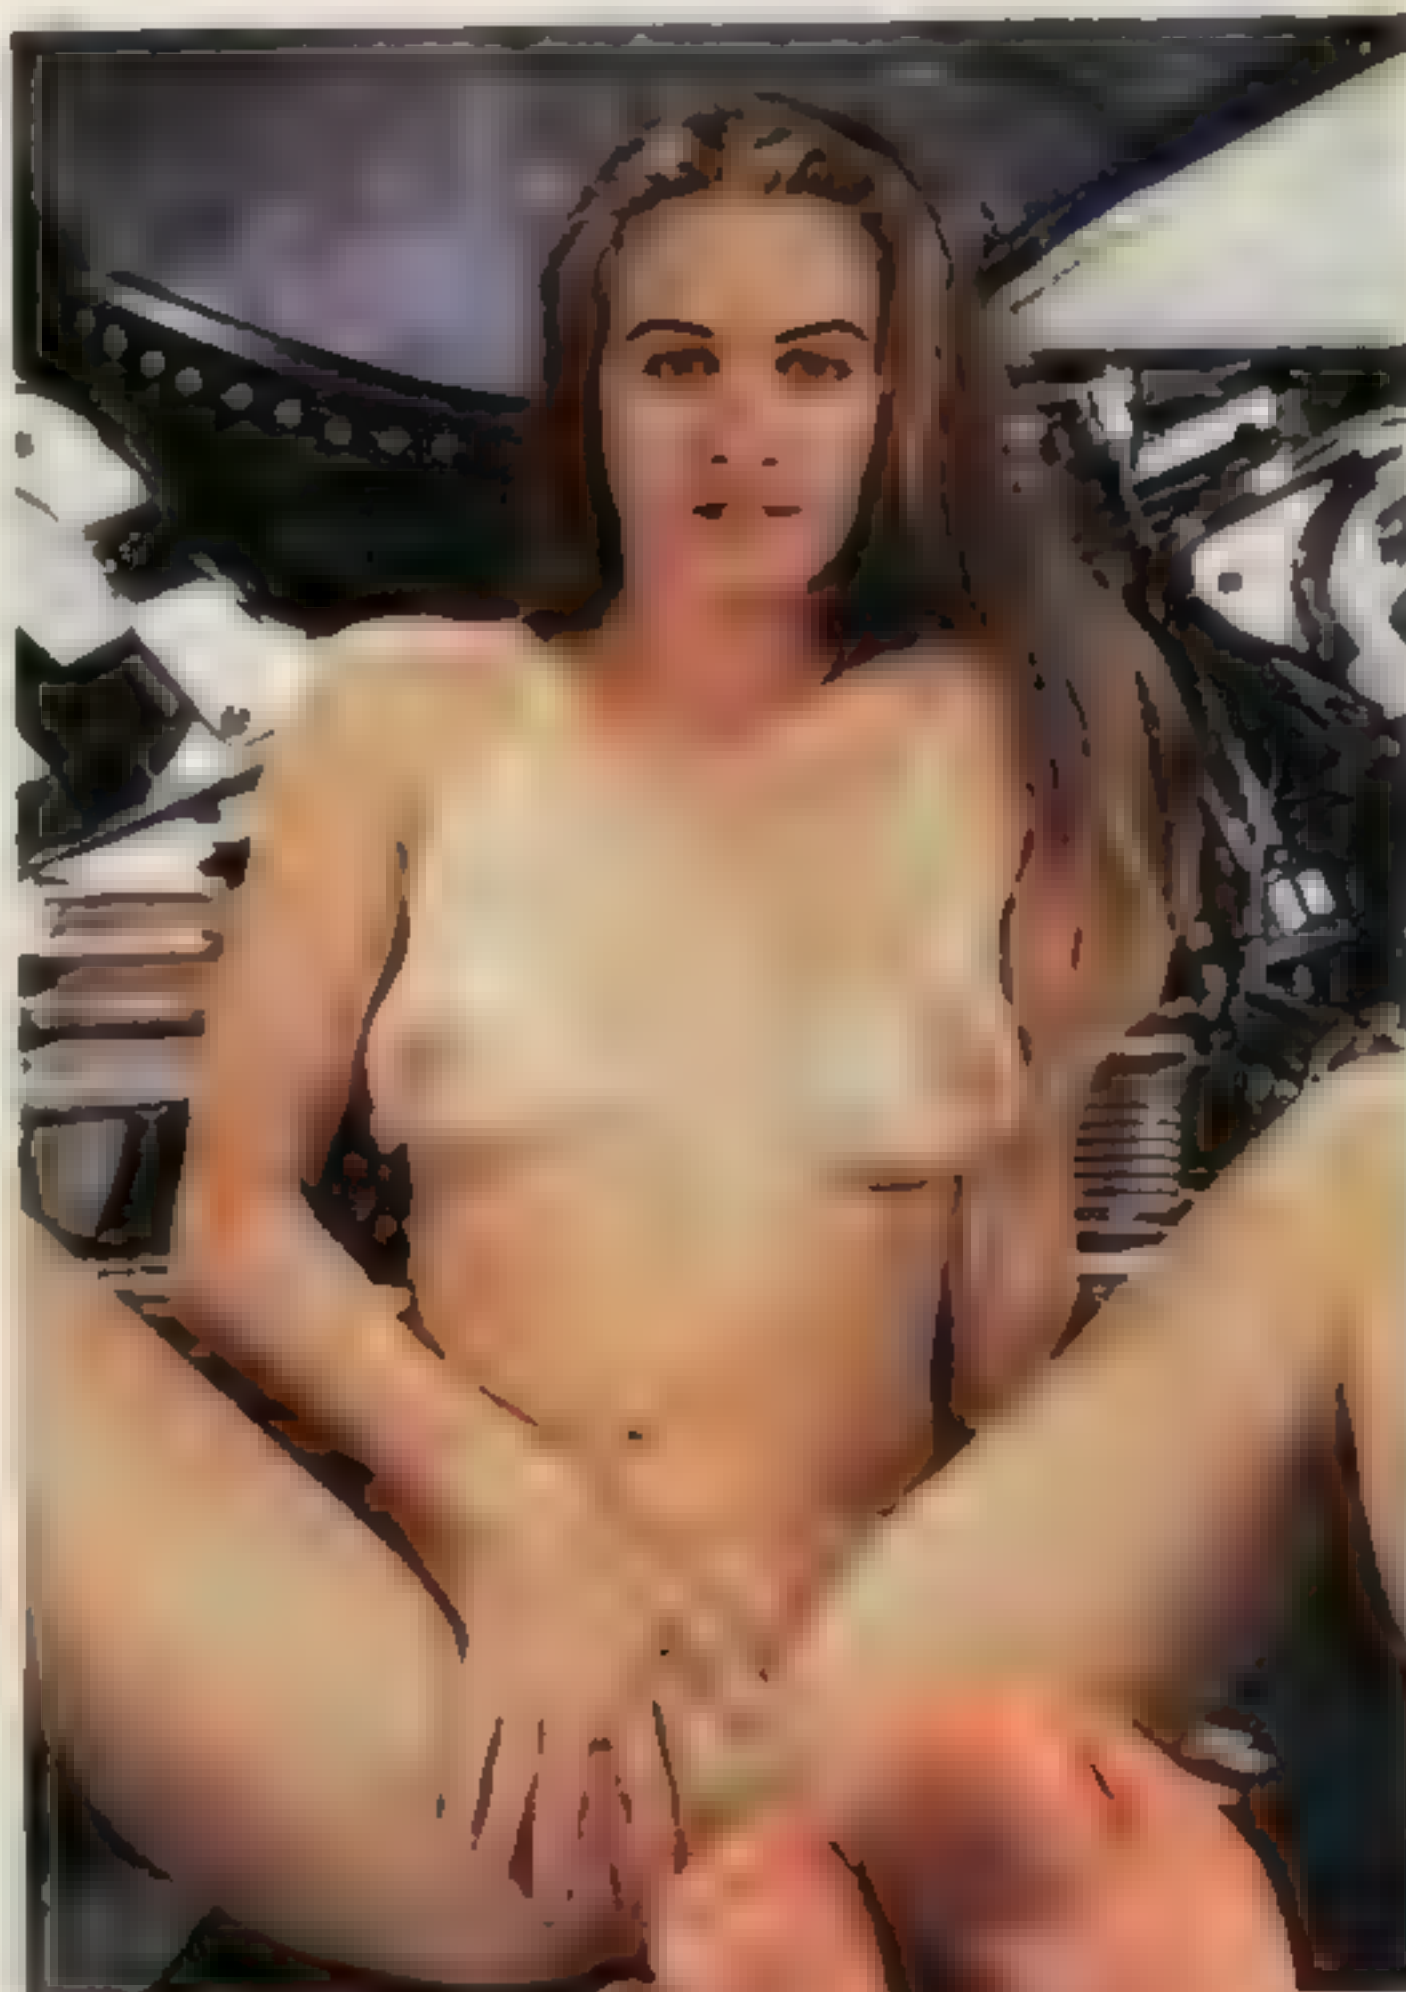

**San Diego, California's Angel is a receptionist with a heart of gold. The 28-year-old honey bun would love to be dominated by her boyfriend and another female. The Bible was right. An idle pussy is the devil's workshop.**

*Photo by Boyfriend*

**Aimee is a 28-year-old massage therapist from San Francisco, California. The sumptuous lady's ideal sexual escapade is to make love to her man "in the bathroom of a very crowded, high-class restaurant." Don't forget to tip the attendant, Aimee.**

*Photo by Friend*

Free-spirited florist Kimberly of San Francisco, California, has gathered a delightful bouquet of perverted experiences, including "sex in public, bar hopping and fast cars." The 21-year-old flower arranger writes, "My fantasies come true. I do them all." With a little TLC, any budding tart can blossom into a full-grown hussy.

Photo by [unreadable]

Tammy of North Fort Myers, Florida, likes fast cars and country songs. "Making him smile" is the devoted 33-year-old's sole occupation. Sex with her husband on the beach with someone watching is Tammy's bold new career move.

Photo by [unreadable]

Valerie of Portland, Oregon, is a "self-motivated exhibitionist" who digs being naked and watching the World Wrestling Federation on TV. The 33-year-old go-getter describes her erotic desires in economical terms: "3 girls and me (big boobs)." Beats contemplating Hulk Hogan in the nude.

against Euronymous, who was already planning to kill him. The story was unconvincing, and Vikernes was convicted of murder and for several of the church burnings. His 21-year sentence is extremely heavy punishment in the lenient Norwegian court system.

Vikernes has disavowed any connection to Satanism, although he takes credit for pushing Euronymous toward the perverse form of devil worship that became prevalent in the black-metal scene. "Øystein and all these guys in Oslo were saying how they were Satanists," he says. "I reasoned that if you're a Satanist, then you invert everything that Christianity was. So I was provoking him [Euronymous] about what Satanism was, and he was following me. He was having anal sex...because in the Bible, it says that you shall not let the sperm fall to the ground, and we reasoned that if you shoved it up someone's ass, into the sewer, then that's the worst thing you can do—that's Satanism. And he said, 'Yes!' We didn't realize he was bisexual and actually homosexual. Some weeks before I killed Øystein, another guy joined me on a trip to Oslo, and he told me that he had once searched Øystein's drawers and had actually found a dildo with shit on it. He was a homo, always saying how pussy

was disgusting. We didn't want anything to do with him."

Others in the black-metal scene would claim that the killing was committed over money from Burzum royalties owed to Vikernes or even over a mutual female friend named Ilse. Vikernes vehemently denies such allegations.

The arrest and sentencing of Varg Vikernes for the slaying of Øystein Aarseth ended the first wave of Norwegian black metal. The "godfather" of the scene was now dead, brought down in a flurry of stab wounds by a fellow musician. Sporadic church burnings continue to this day, and the second generation of bands is just as caustic as their predecessors. While many newer black-metal bands still declare an unwavering devotion to Satan, most are content to simply carve out blistering tunes without getting literal blood on their hands. It will be up to their fans to create the next chapter, if the dark saga of Norwegian black metal is to continue.

Michael Moynihan is the author of *Lords of Chaos: The Bloody Rise of the Satanic Metal Underground* (Venice, CA: Feral House, 1998), an investigation of black-metal music and crime, written in collaboration with Didrik Søderlind. ☛

## XXX Copycat—Rob Black

His name, his pimp-daddy look and the shocking imagery of his videos ripped off the godfather of bizarro sleaze, Gregory Dark. Black's lack of filmmaking talent is entirely his own. Along with Tom Byron and Van Damage, Black founded his own production company, Extreme Associates. His recent releases suggest that Black is finally learning how to direct quality filth.

## XXX Continental Cherry Popper—Pierre Woodman

The French ex-cop turned helmsman snatches virgin XXX talent from the collapsed Soviet empire for Private Label. Woodman vows to flood the American smut market with the smiling, cum-drenched faces of freshly deflowered virgins for as long as the Russian Mafia allows him to keep both of his kneecaps.

## XXX Euro-Sleaze Auteur—Kris Kramski

Is he a Frog? Is he a Jew? Is he a fag? No one knows where the snobbish enfant terrible of XXX originated, but Kramski won infamy by combining fashion-shoot chic with hellacious acts of toilet-plunger sodomy, vomiting and bleeding. Can he boost Sin City's sales with less sickening movies in the upcoming year?

## XXX HIV Pioneer—John Stagliano

He's hip, he's happenin', he's HIV-positive! "Buttman" Stagliano owns Evil Angel and has spawned countless imitators. Although a freak with a taste for HIV-infected transsexuals, Stagliano swung the porn pendulum away from pansy-assed fireplace movies to nasty, no-plot fuck flicks. Now he's making deadly dull, XXX soap operas.

## XXX Rival—Patrick Collins

If there's a butt to be fucked, Collins is likely to be there to capture the anal excavation on tape. Once part of Stagliano's Evil Angel, Collins, best known for his *Sodomania* series, broke away to build Elegant Angel into a porn powerhouse.

## XXX Gimp—Bruce Seven

Crippled by a stroke, Seven continues to be a hugely influential producer in the world of specialty tapes. His anal, lesbian, bondage and anal-lesbians-in-bondage movies could coax a cum-shot from a eunuch.

## XXX Future Cunt—Caroline Pierce

Double-pierced from clit hood to tongue tip, Caroline Pierce typifies Gen-X cooze. Without a single dyed-blond hair or an ounce of silicone on her feral body, she represents a new breed of slut poised to take over top echelons of XXX stardom. ☛

"Oh, yeah? Well, show me where it says, 'Thou shalt not get a blowjob!'"

# Amanda

## Hotel Fetish

PHOTOGRAPHY BY JOANIE ALLUM

"Each room in our erotic motor inn specializes in a different sexual fixation," reveals lingerie hostess Amanda. "The first floor has rubber rooms for businessmen who like to be pissed on. Outside, our deluxe sodomy court caters to lonely drifters who crave back-door love." Amanda removes a black stocking with her teeth. "My guests range from lusty freaks who eat their way through the sweaty crotch of my

silk stockings to repressed husbands who want to rub their dicks against a tight, shiny girdle." Amanda sprawls out on her luxurious bed. "Last night some dude wanted me to shove my fishnet-covered foot down his throat. I told him to check out Ursula in room 315. She can make a guy bust a nut just by sucking his toes." Amanda smiles. "I only know how to do it the old-fashioned way."

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

### WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

### WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS

**1. The Best Penis Vacuum Pump.** Squeezing bulb and short stroke venturi or venter push pump create a maximum amount of vacuum. Used properly for 10-15 minutes but not for the vacuum that is required to truly enlarge your penis. To be successful you need our Penis Pump with the exclusive **POWER VACUUM CONTROLLER** that adjusts the right amount of vacuum for your Penis Enlargement.

**2. Easy to Follow Professional Instructions.** We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it **Free** with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

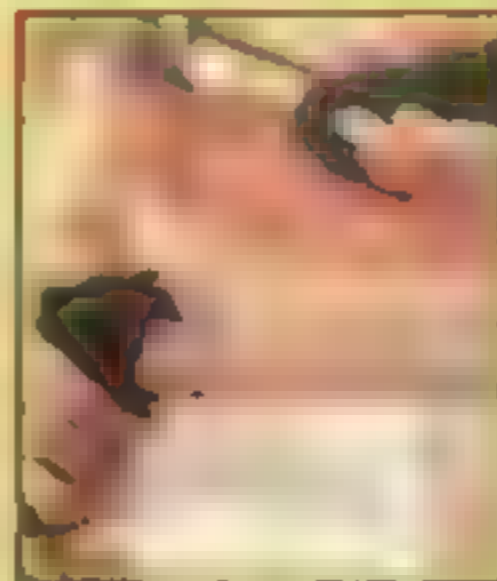

### MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead I offer to you **Free** with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

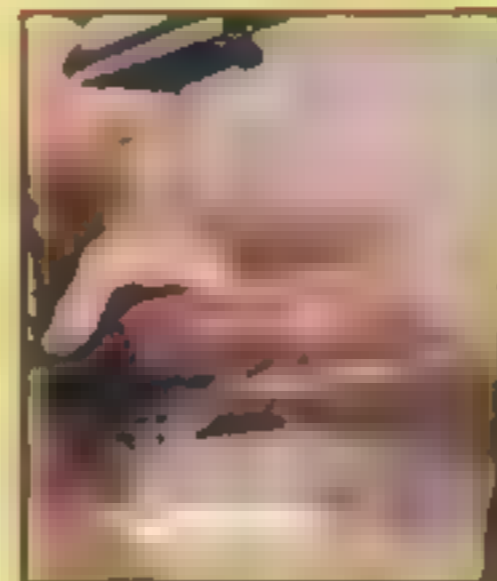

### HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermatation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

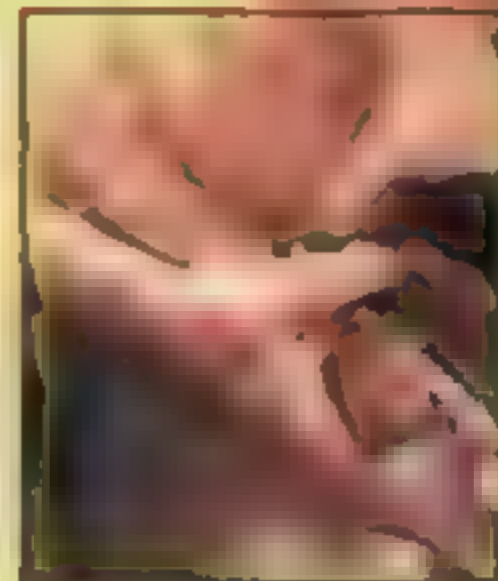

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

Before use, the penis is 9 inches long and 1.5 inches thick.

After just 10 minutes of use, the penis is 10 inches long and 2 inches thick.

After more pumping, the penis is 11 inches long and 2.5 inches thick.

Even when the pump is not used, the penis stays longer, thicker and longer.

### WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increases penis length and thickness • Stimulate a harder and more powerful erection • Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) • Increase confidence, sex drive and sexual performance • Intensity your orgasm

The "original" and the world's largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design: One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer, thicker and harder penis.

**Number One Bestseller Worldwide!**  
**WHY? Simply Because:**

- It's The Most Effective** You can LENGTHEN, THICKEN and HARDEN your penis to starting new proportions IN HALF THE TIME, WITH HALF THE EFFORT! Get erect measurements of 9, 10, YES!! - even 12 FULL INCHES!
- It's The Finest One Made** The best materials, hand constructed engineered and made in the USA features the patented SUPRA VALVE and SENTRY Prolong Ring Nobody else has it - at any price!
- It's Easy To Use** Our professional system doesn't include complex instructional "magazines" or videotapes. Why? Because with our system, you don't need them! Our system is so simple to operate, you don't even need to use both hands!
- It's The Most Affordable** We have a pump for every budget even ones as low as \$1495!!! All made in the USA featuring the same quality construction and reliability that has become our trademark worldwide. The SUPRA 12 has stood the test of time.

**THE MALE ERECTION... THE SUPRA-12 SYSTEM...**  
The male erection is produced when blood flows into the special bulbocavernosus muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in A DRAMATICALLY LONGER, THICKER ERECTION. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

**THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!**

Getting a huge, fat erection is one thing... keeping it is another! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. [IMPORTANT] All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry GIVES YOU COMPLETE ERECTION CONTROL!

**ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!**

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA 12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring is such an incredible value!

**That's Why We Say... THE SUPRA-12 SYSTEM IS AS EASY AS 1-2-3!**

**NO SYSTEM IS FASTER - OR MORE FOOLPROOF!**  
It's impossible to fail using the SUPRA-12 SYSTEM to increase your genital measurements. With the help of the SUPRA-12 SYSTEM and medical research has proven that only a prolong ring can maintain an erection, enlarging your penis and maintaining the new thick and long dimensions becomes effortless!

## HUSTLER

### HEART-SHAPED BOXES

Forget the traditional chocolates; February HUSTLER delivers a bevy of valentines to put the bulge in your zipper instead of around your waist. Two brunettes take a spiritual sojourn in the desert. Locking lips to labes, the couple makes a pleasant discovery: Pussy juice is a great thirst quencher. A beautiful, young scientist probes her own black holes with an enema tube and dildo. A couple's innocent visit to a dime-store photo booth develops into a full-blown fuck session that requires a cleanup on aisle three. A lovely lass, eager to bond with her inner masochist, ties herself in knots and brings herself to a sweaty climax as she struggles to unravel ropy restraints. February may be the shortest month, but the girls of February HUSTLER will make you long.

### PUSHING THE PORN ENVELOPE

With *Time* magazine's recent feature on the adult-film industry, the mainstreaming of pornography is pretty much complete. At the same time, a new generation of filmmakers is finding ways to wipe out porn's newfound respectability. More interested in disgust than desire, new-school porn auteurs, such as Max Hardcore, Rob Black and Thomas Zupko, compete to produce the most degrading videos possible. Fisting and slapping become as commonplace as sucking and fucking. Humiliation of females is paramount. While the taboo-breaking videos are drawing audiences, they're also drawing heat from the nation's lawmakers, which could result in dire consequences for the porn industry as a whole. In *Exxtreme Porn*, reporter Roger Jacobs examines the phenomenon and its legal implications.

### SHOT DOWN IN FLAMES

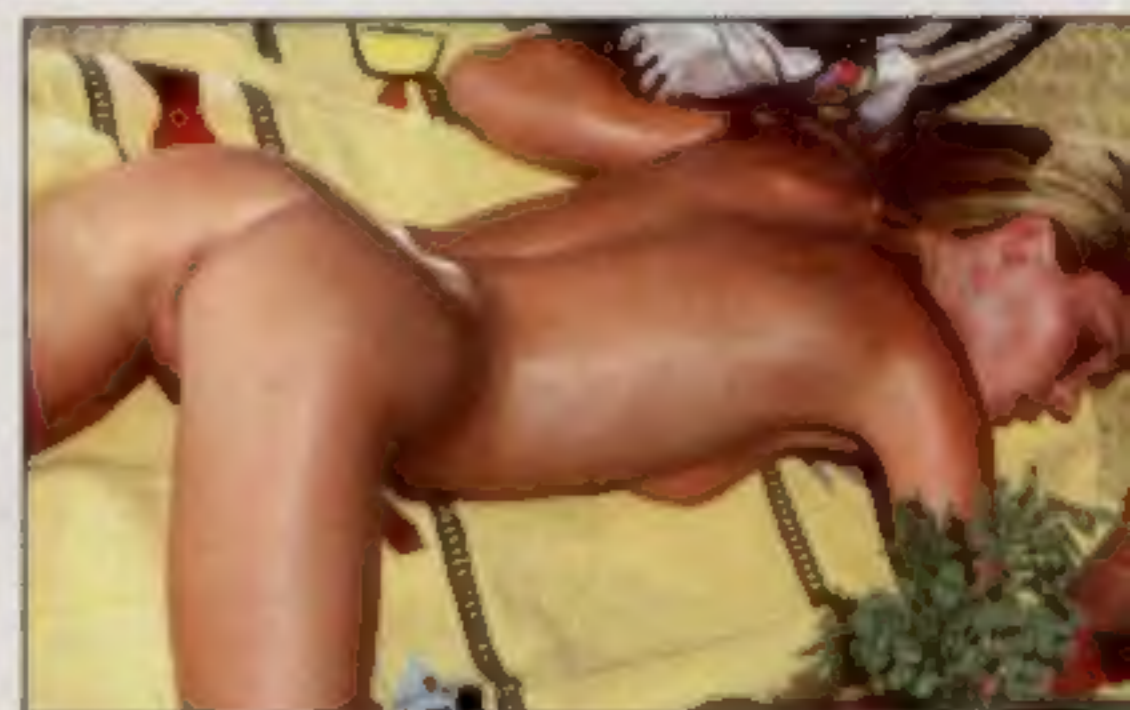

Hailed as a bacchanalian free-for-all for the countercultural fringe, the annual Burning Man festival has developed into an insult to debauchery. Each Labor Day weekend, an increasing number of thrillseekers trek into the Nevada desert, eager to drink, drug and fuck society's constraints into oblivion. What they're confronted with is a \$100 entry fee, a gaggle of restrictions and an army of other pseudohipsters with their dicks in their hands, wondering where all the hot chicks are. With poison pen and caustic eye, HUSTLER crashes Burning Man's gates and pisses on the festival's dying embers.

### BE OURS

In February's *Sex Play*, HUSTLER correspondent and world's biggest guinea pig Calvin Moore drops a dose of herbal Viagra to see if he sprouts a branch. *Bits & Pieces* reveals Monica Lewinsky's *Playboy* spread and finds new uses for the Bioré Pore-Perfect Strip. *Erotic Entertainment* attends Titman's Pool Party to find out if baked beans and anal sex can peacefully coexist. Prepare to be pink-struck; February HUSTLER aims its arrow straight for the crotch.
